Dedication of Minutes

The Burnt Swamp Association is pleased to honor Rev. and Mrs. Vester Oxendine for a lifetime of Christian ministry for the Lord Jesus. Bro. Vester and Sis. Iuey were married in February of 1938. They are parents of two children, Flora Jane and Weaner. Rev. and Mrs. Oxendine reside at Rte. 1, Rowland.

Rev. Vester began his preaching ministry in 1929 at the age of 15. His early years in pastoral ministry were spent with some very fine Freewill Baptist congregations. He was pastor of St. Annah, Fair Point, and Hickory Hill. All of these are churches in the conference of Freewill Baptist churches in Robeson County. During the days of Rev. L. W. Jacobs, Bro. Vester came to work with churches in the Burnt Swamp Association. He has served the following churches in our Association: Dogwood, South Hoke, Pleasant View and Union.

Bro. Vester was a favorite preacher to be called upon for revivals and regularly spoke at our Burnt Swamp Unions and Annual meetings. He served on several committees while active in ministry and also was a member of the Board of Ministers for Campbell College for the N.C. Baptist State Convention. We remember with fondness the days of his preaching strength. He was one of the most popular preachers among us all and remained in great demand until his retirement years. We are thankful for his commitment to our Lord Jesus and his gift of proclamation that blessed so many of our people.

Sis. Iuey has always been quiet and taken a less public role in her service to the Lord. She is a very sweet Christian lady who has given that necessary support that a man only can receive from a loving wife. She indeed is among Bro. Vester's many treasures from God. We praise God for His gift of this precious pastor and his wife to the ministry of the churches of the Burnt Swamp Association. For their enduring love for Christ and His work, the Burnt Swamp Association dedicates their 1991 Minutes to Rev. and Mrs. Vester Oxendine.

MEMORIALS PAGE

Rev. King Maynor (1927-1991)

Rev. King Maynor was a distinguished pastor, serving churches in the Burnt Swamp Association for more than 25 years. He was the son of the late Rev. Chesley Maynor and Mrs. Mary F. Maynor. He was married to Mrs. Eunice Maynor. They were parents of four daughters and one son.

Bro. Maynor was ordained by the Mt. Airy Baptist Church on February 9, 1964. He served the following churches during his active pastoral ministry: Tabernacle, Cedar Grove, Mt. Elim, Elizabeth Heights, Pleasant View and Dogwood (supply preacher). He gained a reputation as a very strong, dynamic preacher of the gospel. He extended a warm invitation to fellow ministers to his own pulpit. Her served Christ faithfully as he helped develop believers in the knowledge of the Lord.

Due to failing health, Bro. King retired from active pastoral ministry early. Nevertheless, his love for the church and the Lord Jesus remained strong. His last months were spent back at his home church with his wife and dear church family at Mt. Airy.

Rev. Delton Morgan (1922-1991)

Rev. Delton Morgan was an ordained minister from Smyrna Church. He was the son of the late Rev. N. R. Morgan and Mrs. Elizabeth S. Morgan. He was married to Mrs. Mary Jane Morgan and they were the parents of five children. He was a wounded veteran of the second World War and was an active member of the VFW. Also, Bro. Morgan was a very active member of the Allenton Fire Dept. and was chief for several years.

Rev. Delton served two churches in the Association during his active pastoral ministry. He served at Smyrna Baptist Church as well as Antioch Baptist Church.

Rev. William (Bill) Branch (1941-1991)

Rev. Bill Branch was a member of the Dundarrach Baptist Church. He was licensed to the gospel ministry by Mt. Elim during the ministry of Rev. Chesley Maynor. Bro. Bill was the son of the late Mr. Togo Branch and Mrs. Onamae Branch. He was married to Mrs. Earlene Branch.

Bro. Branch was a wonderful helper at anything that needed to be done. We appreciated his work with our Youth Council as they led summer retreats with our youth and children in the Association. He served as Pastor of a church in the Richmond County area in the last years of his life. They greatly enjoyed his short ministry with them in the work of the Lord.

- 3. Due to the severe nature and disharmony of divorce with New Testament teaching, it is recommended that associational churches make a decision concerning the use of their facilities to unite in marriage persons in a divorced state.
- 4. It is considered extremely unethical and disrespectful for any minister to enter the stand of a church without the foreknowledge of the pastor to that church. It is also considered poor practice for any congregation to deny the pastor responsible control of the pulpit.

THE BAPTIST FAITH AND MESSAGE

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. It reveals the principles by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His death on the cross He made provision for

the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore every man possesses dignity and is worthy of respect and Christian love.

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Savior, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart

wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerated person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is a glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Savior, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. LAST THINGS

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

XII. EDUCATION

The cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such

cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the Spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

THE HISTORY OF NEW HOPE BAPTIST CHURCH

New Hope Baptist Church dates back to the 1800s when it was known as St. Marks Baptist Church. At the suggestion of Sister Catherine Freeman, the membership later decided to rename it New Hope Baptist Church.

New Hope Baptist Church now stands north of highway 1740 and Reverend Donald R. Carter has served as pastor since 1980.

Many other fine men of God have preceded Rev. Carter as pastor of this church. Former pastor C. E. Locklear served faithfully for approximately 30 years prior to Rev. Carter. Other former pastors were: Rev. John Wesley Huggins, Rev. Jimmie Chavis, Rev. L. B. Jacobs, Rev. Andrew Bell, Rev. Floyd Jones and Rev. June Sampson.

The membership undertook a remodeling project in 1944. Two wings were added to the sanctuary for classroom space and were dedicated later that year. In 1954 the church joined the Burnt Swamp Association.

The fellowship hall was erected in 1981.

In 1986 the membership saw the need to increase the facilities. The building committee for this project was: Brother James Patrick, Brother James M. Jacobs, Brother William R. Graham, Brother Lofton Jacobs, Brother Ricky Patrick, and Brother Elton R. Jacobs, Sr., and Brother Luther E. Patrick.

The new facilities were dedicated to the Lord on August 28, 1988. Since the completion of this remodeling project, two of the building committee members, Brother Lofton Jacobs and Brother Ricky Patrick, have gone home to be with the Lord. Their dedication to the church and the community still shows with this and in many other projects around us.

New Hope Baptist Church has grown from a handful of members in the 1800s to the present membership of nearly 400.

Present Deacons: Leo Jacobs, Lester Freeman, Allen Wade Jacobs, William R. Graham, and Eric Moore. Ricky Patrick (Deceased) Ossie Jacobs (Honorary) Manley Jacobs (Honorary) Arthur Freeman (Honorary) Deceased

He stated that anyone who wanted to continue supporting the church at Enemy Swim could send their checks to the Baptist Building to be forwarded to the work out there. He showed slides of the church people and their constitution service, of which he was a part. He reported on the progress being made on the Oklahoma project scheduled for June. SUNDAY SCHOOL REPORT 1990-91

It has been a rewarding experience working with people in the Burnt Swamp Association this year. Everyone has extended such a warm welcome and cooperative spirit. I praise God for each of you.

The Sunday School Program is fundamental to the strength of the church's ministry. It provides the material that is needed to build a strong church. The ASSISTeam is available to assist churches in building a better Sunday School Program.

We are grateful for the 15 churches that participated in the Church Growth Campaign. This was a major Sunday School project that helped us to be recognized by the State Sunday School Department as a Standard Association this year. The annual Leadership night on September 10 was an overwhelming success. We had 15 churches participating with 161 workers present. Island Grove was our host church for this event. The ASSISTeam will introduce and explain the Sunday School materials for 1991-1992 in Methods and Materials workshops in each region of our Association. Our first one was held 9/14/91 at Union Chapel for Region V.

CONTINUING EDUCATION COMMITTEE REPORT

The Association has assisted several Pastors and other ministers with Seminary Extension training through the Scholarship Fund. Also, one student is enrolled now in Southeastern Seminary while two college students within our Association are definitely planning to be enrolled in seminary at the completion of their college studies. We appreciate churches who have contributed to our scholarship fund this year. Please be encouraged to continue this support for ministers' education.

Two men will receive their 64-hour Diploma in Ministry from the Southern Baptist Theological Seminary in Louisville, Kentucky. Rev. Don Bullard and Rev. Garry Revels will march in graduation exercises this Fall at the seminary. Both of these men will continue their college education toward a four year degree at Campbell University. Several other pastors will continue their Seminary Extension program of study in order to earn the seminary diploma as soon as next year.

It is our purpose to continue offering courses of study for ministers and lay persons. You may help by sharing with your church the ministry of our Association in its Continuing Education program.

CREDENTIALS COMMITTEE REPORT 1990-91

This Committee responded to requests from churches during the year in matters related to local church fellowship. Our Moderator and Director of Missions have assisted in a few local church business meetings. The Credentials Committee cannot interfere with the internal affairs of any church, but will serve as an advisory council upon invitation. We would have some right to remind a church of its heterodox practice should it become necessary. We have no churches presenting petitions this year for membership. However, the Burnt Swamp Association holds a good reputation as a family of churches and inquiries from other churches concerning our organization have been received during the year.

Bro. James M. Locklear, Chairman

YOUTH COUNCIL REPORT

Let me take this time to thank the Association for the opportunity of serving Christ through our ministry with children and youth. This has been a wonderful experience. I will never forget the sweet faces of our children as they learned about the Lord, nor the joy of the youth as the Word was opened to them.

The Youth Council who worked with me has been very faithful. Not only were they involved in leading our youth work but they also served as model Christians for our youth and children. Thank you for trusting your young people with us in this ministry. That kind of cooperation makes this ministry rewarding for us who labor.

We held three weekend retreats again this year. Two were limited to the youth, ages 12 and up, and one was for the children. Your young people always have the best of times on these weekenders. We encourage you to provide more activities like this with your church group. The N.C. Baptists own retreat conference centers at Fort Caswell and Camp Caraway that you are more than welcome to use. Don't let your young people go and miss the opportunities you can provide them through our camping facilities. Plan your own retreat program. Invite a guest to come and lead a retreat for your children or youth. All it takes is asking and a little planning. Hear this word from the young people in your church — "Just do it!."

Because of my health, I must step down from my responsibilities as your Youth Council Director. I feel confident that the Council will continue if you give them your support. I will be available for help in other ways. Again, thank you for the privilege of serving.

Alberta Locklear Youth Director

DISCIPLESHIP TRAINING REPORT

The training ministry of the local church is a valuable aspect of all that the Lord Jesus has required us to do. We are thankful for the churches who are taking seriously their responsibility to win the lost and develop believers according to New Testament teaching. The Discipleship Training program of the Association seeks to assist churches in their assignment of developing believers into the likeness of the Lord Jesus.

"M" Night 1990 was held on November 26. We designed the program to involve those present in workshops related to the training ministry of their church. Sessions were offered in New Member Training, Ingathering, Methods and Materials, and Records. 15 churches were present with seven Pastors and seven Directors. The total attendance was 141. This was one of our better "M" Night programs in recent years.

Also, during the year, contacts were made with churches who invited us to assist them with this program. We taught an eight-week course on the Discipleship Training Manual for Mt. Moriah. We responded to invitations from Elrod and South Hoke to introduce training materials to their churches. Also, in the month of August, we attended a state workshop on Strategy Planning sponsored by the Discipleship Training department. It is our aim to be as busy as you make us by responding when you invite us.

A very significant highlight of our Discipleship Training program is the Bible Drill event. We are so thankful for the churches who have discovered this program and more are inquiring about it. The Burnt Swamp Association is one of the leading Associations in this state in that area. Nine churches participated in the Bible Drill with more than 80 children and youth learning the skills. Our Association was fortunate to have the North Carolina state winner, Melodi Locklear from Bear Swamp, represent us at the National Bible Drill skills performance at Ridgecrest in July. This was a very proud moment for Melodi, her family, her church and her Association. We anticipate a greater response in 1992 for this work. The time to plan for it is right now. Materials for next year are available. Contact the Association office and inquire about it very soon.

Let us repeat the importance of the Church Study Course program. Several of the churches are reporting to the Sunday School Board whenever they have study courses like January Bible Study or the Spring Doctrine Study or the Missions Study courses. It really reinforces your people's desire to study when you are able to present them with some recognition for their achievement. Why not report your study course work!

Our goals for 1992 include: increase training enrollment by 5%; lead at least 12 churches to have some study in the areas of Baptist history, polity or doctrine; lead five churches to activate a Church Council; lead 12 churches to plan for church growth. Join us in our pledge to grow a better Discipleship Training program in this Association.

BAPTIST MEN'S REPORT 1990-91

This has proven to be another good year for the Baptist Men of the Burnt Swamp Association. Our love and concern for our native brothers in Christ, and more importantly our love for Christ and his Commandments in Matthew 28: 19-20, has compelled us again to answer another Macedonian call.

The call came from the First Indian Baptist Church in Shawnee, Oklahoma for skilled and unskilled labor. We sent out to our churches for carpenters, electricians, roofers, plumbers, sheetrocker hangers, finishers, helpers and laborers of all kinds. Skilled craftsmen from all over began to volunteer to be part of the work crew to go out to Shawnee to work on the church building. We ask churches to pay for the expenses of the workers that would be going from their church, if they could. We also asked other churches that could afford it, to pay for at least one man's expenses, even if they were not sending a worker, to make up for those who could not pay. Folks responded to our call and provided the money needed for the work crew as well as the Vacation Bible School team that was going out later in July.

On June 21, 1991 about 5:30 in the morning the work crew began to arrive at the Baptist Building. Equipment was checked and rechecked, vans were loaded, and the long awaited trip to Shawnee, Oklahoma began. There was an air of excitement around the Baptist Building as veterans of previous trips recounted some of the events of other mission trips before. For others it was their first time at a hands-on mission project.

The trip was more than one thousand miles, but the men began arriving on Saturday evening. On Sunday they worshipped with the folk at the First Indian Baptist Church of Shawnee. On Monday the work began. The frame of the building had already been erected by another work crew. At first dawn our men began in earnest to plumb, wire, and hammer in place the shingles, the sheetrock, and the finish trim. Over the next four days the building would look much different. Each day the bond between the Indians from the East and the Indians from the West strengthened. Our men worked and broke bread together with the folks there in Shawnee. They showed their love and appreciation to us by preparing meals fit for a king. It was almost like being at home.

The money you gave for quarterlies for the Quechua Indian tribe in Peru has been reserved for that purpose. Many other projects have been completed by Baptist men in local churches that are unreported to us. These would be helpful for us to have on record but we are sure that men are organized to do work in their own churches. If not, please invite our team of leaders to come to your church and assist you with organizing. We have selected our Baptist Men leaders and will provide leadership training for your church leaders on November 5, 1991 at the Baptist Building. Your Baptist Men leadership should plan to be with us for this

meeting. Thank you again for providing an organization for men's work and missions education in your work.

Hubbard Lowery, Director

WOMAN'S MISSIONARY UNION ANNUAL REPORT

Our theme for 1990-1991 was "EMPOWERED . . . GO OUT ON A LIMB." This concept has been lived out and has meant growth as well as recognition for the Burnt Swamp Association Woman's Missionary Union.

The Woman's Missionary Union was recognized by the North Carolina State WMU as having a five (5) percent growth as well as achieving Distinguished Merit for the ninth consecutive year. This is the highest possible level of achievement. The following churches in the association were recognized for being distinguished: Bear Swamp (2); Mt. Airy (2); Mt. Bethel (3); Mt. Olive (2); Harpers Ferry (3).

The WMU Associational Council has coordinated and participated in the following leadership activities during the year:

- Conducted an Annual Leadership and planning session at Fort Caswell.
- 2. Met at least eight times for regular planning.
- 3. Conducted thirty-seven training, inspirational and informative events for church WMU members and leaders.
- 4. Attended eight state training workshop sessions during the year.
- 5. Ms. Rosette Locklear represented the Council at Southern Baptist Convention, WMU in Atlanta, Georgia.
- 6. Participated in 12 mission action projects, two of which are ongoing.
- 7. Conducted several White Bible services.
- 8. Initiated 10 new mission organizations at Baker Chapel, Elrod.
- Reconfirmed plans to coordinate a World Missions conference in May, 1993.
- Initiated regional leadership positions to better coordinate WMU work.
- Submitted a resolution in memory and honor of Mrs. Sally D. Bullard, GA Director, deceased December, 1990.
- 12. Baptist Young Women initiated a Food Closet project.

Goals for 1990-1991

- 1. To promote and encourage each Council member to earn the WMU Leadership diploma.
- 2. To foster and strengthen existing organizations.
- 3. To maintain an ongoing effort to initiate missions education in 70% of the churches.
- 4. To support Associational objectives and goals: Bold Mission Trust; Mission VBS; Summer Mission Teams; Cooperative Program and Language Missions.
- 5. To coordinate plans for a World Missions Conference in 18 churches involving at least eight visiting missionaries in May, 1993.

6. To have three council members attend and participate in a National Indian Women's Conference "Women in Excellence" in Tulsa, Oklahoma, September, 1991.

7. To promote, encourage and support "Native American" leadership training session for 1992.

We believe that teaching, training, praying, giving and supporting missions, mission action and personal witnessing should be priorities in every church.

Despite a 5% growth, thirty (30) percent of our churches reported no active missions organization for 1990-91. We desire that all churches BE EMPOWERED, CALLED TO MISSION. Listed below are the 1991-92 officers.

MUSIC PROGRAM REPORT 1990-91

This has been a wonderful year in church music. Mrs. Mary Alice Teets provided valuable assistance with the churches at each one of our three choral clinics. At Bear Swamp we had six churches represented, at West End six churches were represented and at Smyrna nine churches were represented.

We look forward to having Mrs. Teets lead us in our Music Program next year. The churches who have responded to our workshops have been excited about what we are doing in our music ministry to assist their own.

BAPTIST CAMPUS MINISTRY REPORT: PSU 1991 BURNT SWAMP BAPTIST ASSOCIATION

On behalf of the Division of Youth and Campus Ministries, directed by Dr. James Y. Greene, and Baptist Campus Ministry at *Pembroke State University*, I want to thank you for your prayers and support.

The 1990-1991 year was an exciting and productive year in student ministry. A key factor in the year was having Sean Bendigo serve as a Campus Minister Intern. He added depth and breadth to our ministry of reaching out to students in Christ's name.

Other highlights include: our Commuter Lunch Ministry involved over 325 different students and the highest attendance at a lunch was 150, our weekly BSU fellowship involved over 80 students with an average of 27, four bible study groups involved 17 students, 18 students went to Ridgecrest, and 20 attended our Winter Retreat at Caswell. There were also students involved in a ministry to the Cancer Institute in Lumberton and in leading worship services in local churches. Five PSU students served in Summer Missions at Mundo Vista, Caraway, and in local churches.

The BSU raised over \$3,000 for missions and ministry. Your assistance with the Commuter Lunches added significantly to that total. \$1,320 was

used for Summer Missions, \$300 for pastoral support in Sissenton, South Dakota, \$200 supported students to help build a church in the USSR, and the rest was used in scholarships to assist students to attend student mission conferences, World Hunger, and our Spring Break Mission Trip in Baltimore, Maryland.

A special thanks goes out to Lillie Mae Brewington, Janet Chavis, Mary Sampson, Margaret Dimery, Mt. Elim, Berea, Island Grove, Harpers Ferry, and Mt. Olive Baptist churches. Their WMU's and the support of the churches provided a significant ministry through the lunches. Ministry contacts, devotions, missions fund raising, and cooperative "on hands" servanthood are what the "Commuter Lunch" is about! Thank You!

FUTURE GOALS & PLANS:

- In February of 1992 we will sponsor a Silver Anniversary of Campus Ministry at PSU and a Decade of Ministry through the Baptist Student Center, "The House."
- 2. Plans to support a Campus Minister Intern during 1992-1993.
- 3. To grow in both depth and breadth in student ministry by 20%.
- 4. To plan a mission trip to Jamaica for 10-15 students in May of 1992.
- 5. To send one student to Brazil with a team of 20 students for two weeks in July/August of 1992.
- 6. The BSU has a Missions and Ministry Goal of raising over \$4,000.

A Co-Laborer in Christ, Ron Sanders, Baptist Campus Minister

ASSOCIATIONAL MODERATOR'S REPORT 1990-91

"We give thanks to God always for you all, making mention of you in our prayers, remembering . . . your work of faith, and labor of love, and patience of hope . . ." I Thess. 1:2,3

God continues to bless our association through the co-operative efforts of our churches. We are continuing to meet and accept the responsibilities in missions. Many churches have given labor and gifts to support the missions projects in South Dakota, Oklahoma and also local missions. As Paul wrote "For I know the readiness of your minds for which I boast of you to them of Macedonia," 2 Cor. 9:2. The Macedonian church was going through an economic hardship but they never lost the vision; they "first gave themselves to the Lord," 2 Cor. 8:5. In turn God honored their commitment, enabling them to meet their neighbor's needs. I personally want to thank the WMU, Baptist Men and the churches for that kind of commitment.

So let's keep up the good work and faith and go even further in the kingdom work of our Lord. I feel the Lord has blessed us with a depend-

able staff and program directors. May God bless you as we enter our new association year. Pray for me as well.

Rev. Bruce Swett Association Moderator

DIRECTOR OF MISSIONS REPORT

The Burnt Swamp Association ministry is growing due to the valuable contributions by so many who help us in our program. I should begin by celebrating the commitment of the volunteers from your churches who so unselfishly give of themselves to our Associational work. You have provided me with great help to lead us in our mission together. Our calendar reflects how active some of our program people are in planning and leading events for the churches. We maintain a commitment here to each local church's growth and well-being. I am grateful for a Council that desires to see churches prosper and become what Christ would have them be. Furthermore, the Treasurer's report declares that there is a love for the Associational work from every church. We are very pleased at the response each of you makes to finance kingdom work here at the Association level. Thank you for your faithfulness to what we do together.

Our office has received a steady flow of requests for assistance from churches and individuals throughout the year in matters related to church business. Sometimes we have answers and sometimes we know where to go for help. Sometimes you help us to learn how to get better prepared for the next person who needs help. Whenever we are called upon, it makes us feel useful to you and your church. Personally, I have visited with 49 of our 56 churches. I have met with three churches who were inquiring about our organization and three other mission opportunities have been investigated. Of the new work possibilities, one appears to be materializing into a new work start in the Aberdeen community. You have extended me more preaching and teaching invitations than I could possibly fill. I have been in eight revivals, five study courses, four seminary extension classes, two doctrinal studies, one deacon ministry workshop and weekly preaching/teaching with you. The teaching and preaching load is not as necessary but it is what I enjoy doing with you.

It was my joy to visit the Enemy Swim mission in May and represent the Association at the constitution service of the mission to become the Bethany Baptist Church. We rejoice in their progress and remember the great part Burnt Swamp played in the work in South Dakota. I also joined your men's construction team in Oklahoma in June. That was a rewarding time of fellowship and service with our brothers and sisters at Shawnee, Oklahoma. We are reaping good benefits from these ventures and joint mission projects with communities beyond our Association. Every church played some part in all of these opportunities and we are grateful.

As you know, this is a year of high turnover of pastor positions in our churches. With this also has come occasions for conflict within churches. Pray with me and others that these pulpits may be filled with God's men for the churches. There have been occasions in which our Association leadership and I have been invited for counsel. It is extremely difficult to measure any success we have had in matters related to church conflicts. We do respond when invited and do our best to urge the congregation back to fellowship and understanding.

Our overall program in this Associational ministry is planned and presented to you from the whole Associational Council. We make an effort to coordinate our events and aim them toward helping us achieve our goals. I recommend these goals to you. We will review them from time to time and check our progress. With 56 churches in one group, it is imperative that planning and coordinating of our business be well done. The Baptist State Convention assists us some with finances for some of what we do. Hopefully, we will improve in many of our missions areas such as social ministry and training as a result of our Convention support. I am grateful for our growing knowledge and commitment to the denomination's missions program, the Cooperative Program. The report for the first nine months of 1991 shows that we gave better in 1990 for this same period. We have time to catch up and go beyond what we did last year. I hope we will.

The assignment of leading this great Association has been more challenging this year. Things are getting more complicated it seems. We manage more missions money. We work with more volunteers. We have growing demands that are new to us and very complex. I praise God for serving you in this office. You must pray for me and my family like you do your own Pastor and his family. This is such a good place to serve Christ. Thank you for the opportunity.

Mike Cummings, Director

MISSIONS COMMITTEE REPORT

Doors of opportunity continue to open for us to provide mission ministry. Our Association participated in two major mission projects in Oklahoma with American Indians living there. Our committee visited with the Meherrin tribe in Chowan County for a discussion concerning a new church start. The community has not responded as to their desire to go further with this. The Baptist State Convention was ready to assist us with this venture and will be available should the Meherrin group decide to pursue the new work.

Another promising mission work is forming in the Aberdeen area, six miles south on U.S. 501. We have secured Convention assistance for a new mission there and plans are underway to begin services there during the month of October. We get excited about new start possibilities and

our Association is anxious to respond wherever there is a need discovered for a new work.

ASSOCIATIONAL PASTORAL MINISTRY REPORT 1990-91

I thank God and the Burnt Swamp Baptist Association for allowing me the opportunity to serve as Director of Pastoral Ministry these past two years. They have really been good ones.

DECEMBER

Christmas Banquet

The churches and associational staff honored pastors and wives with a Christmas banquet. The fellowship, decorations, reading of the Christmas story, carol singing, games and the gag gifts truly set a spirit of Christmas. Everyone expressed thankfulness and joy. We had the best of times.

JANUARY

Preacher and Deacon Seminar

Harpers Ferry Baptist Church was the host for the Spring Pastor and Deacon Seminar. A meal was served to approximately 45 in attendance. The Deacon Seminar covered the subject "The Ministry of the Deacon" led by Deacon Bill James Brewington of Harpers Ferry Baptist Church. Other Deacons participated as well. The feedback was very encouraging.

The Pastors' Seminar was led by Rev. Bruce Swett. We viewed a video on the subject of Burnout and Stress as it related to the pastorate. This was followed by open dialogue which was very informative.

Following the Seminar, we assembled back to hear a very challenging message given by Rev. Fred Carlton, pastor of Mt. Airy Baptist Church.

MAY

Pastor and Wife Appreciation Day

I want to thank all churches who set aside a special day to recognize their pastor and wife. I'm sure that day was one of thankfulness in both their hearts. If your church did not set aside a Sunday for this special day, please plan to do so in the 1991-1992 year. It will never be forgotten.

STEWARDSHIP REPORT 1990-91

At the 1990 Annual Meeting, we adopted the joint emphasis of Witnessing-Giving Life as a program theme. We truly feel this concept gets

to the heart of what Christian Stewardship is about. We have tried to promote this concept as one for each church to pursue and understand.

In response to so many church concerns about taxes and other financial concerns, we invited Mr. Talmadge Williams to lead a seminar on this topic. We had a good response for his presentation on December 3, 1990. Churches present received some helpful information.

On March 4, 1991, the Stewardship program sponsored a workshop held at the Baptist Building. Again, Mr. Talmadge Williams from the Baptist State Convention led our meeting. He put emphasis again on our continuing responsibility of teaching responsible stewardship in our churches.

The Stewardship programs of any church should also be concerned about the world missions giving of that church. Southern Baptists provide for the strongest evangelical missionary force on earth through its Cooperative Program. Our dream for Burnt Swamp Association is growing commitment to world missions, beginning with our Association and reaching the ends of the earth. Our Association is an important part of the World Missions enterprise. We need to keep our giving faithful and regular as we work toward strengthening our churches for Christ's ministry.

EVANGELISM REPORT 1990-91

The theme for the Evangelism Program for 1990-91 was "The Witnessing-Giving Life." Officers of the association signed our Declaration of

Commitment to grow in the two-phase aspect of our Christian responsibility on October 19, 1990.

Our February Evangelism Conference was held at Mt. Airy and our theme was "The Witnessing-Giving Life." Rev. Steve Jones led a Bible Study each night on a topic related to "Principles of Giving in Stewardship." Rev. Roy Clark, Rev. Glenn Harris and Rev. Lindbergh Chavis preached dynamic sermons during this three night event, February 24-26, 1991.

A major crusade for Christ came to the greater Robeson County area and many of our churches were actively involved. This Crusade featured the Rick Gage ministry and was a great success in our area. More than 700 decisions were registered during the week.

We are planning now to have a Lay Evangelism School in our association in the near future. We introduced the idea to our Preachers and Deacons Meeting at the September meeting. The Evangelism Committee feels encouraged to proceed with securing certified leadership to lead that event in one of our churches for all to participate.

Last year's baptism report was a good one for Burnt Swamp. Winning the lost to Christ remains a top priority for our churches. For this, we give God thanks.

FAMILY MINISTRY REPORT

We are encouraged by the growing number of churches who are including "Family Ministry" in their church program. Several have indicated their participation in the "Christian Home Emphasis" during the summer months using the suggested schedule. Several churches have used the "Covenant Marriage" course as a tool to help with marriage enrichment.

We introduced a new course entitled "Parenting By Grace" that speaks to the issue of child-rearing for parents. Several churches have participated in this course as well. Many good resources are available to help us minister to the needs of our church families.

Another wonderful event that most of you have been providing is the annual Pastor and Wife Appreciation Sunday. That is a very kind and Christian thing to have in your church. It is good news to hear that so

many of you are remembering your Pastor's family in special ways. Please continue to focus on the needs of families as you have been doing.

ASSOCIATIONAL VBS REPORT 1990-91

Last year was a good experience for us in VBS, but this year has been overwhelming. On February 18, the VBS Team went to Hamlet for our state training workshop. It was a great success. Every year gets better and better.

The VBS Team led a workshop for VBS workers on March 15. The host church was Elrod. Another workshop was held on March 19. That host church was Elizabeth Heights. The VBS Team held a third workshop this year at Mt. Bethel in Hollister. Churches have really worked hard in preparing for VBS.

The workshops were a great success with 38 churches participating. We are looking forward to the coming year. Let's join together and continue to spread God's word through VBS. Feel free to call on us at any time if you need help. Thank you for your support and continue to pray for me. God bless you.

Mrs. Barbara Oxendine Associational VBS Director

BCH GIVES CHILDREN A CHANCE!

David Morrow, Trustee Chairman Michael C. Blackwell, President

For an institution that's 106 years old, Baptist Children's Homes of North Carolina (BCH) looks strongly to the future!

Three pillars that uphold that futuristic foundation are: 1. The return of the Thanksgiving Offering beginning in November 1991; 2. The success of our "Give a child a chance!" financial campaign; and 3. Baptists' continued support of BCH through the Cooperative Program.

This financial undergirding made it possible for BCH to serve more than 1,200 children and families last year through facilities at 13 locations across the state. Because Baptists cared enough to give, residents like Lynn will go to Wingate College this fall; Chris graduated from UNC-Chapel Hill; Jennifer is in her second year at Haywood Community College and Mark earned a football scholarship to North Carolina A&T. Each of these lives proceeds on firm footing because Baptist Children's Homes was there paving their pathway.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, simply is unable to care for her children. Her frustration with life leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives.

Baptist Children's Homes provides a safe environment where children learn to name their problems and address them to change behavior. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH's "Give a child a chance!" campaign is raising \$11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment. Gifts and pledges through July totaled \$9.3 million and response across the state has been overwhelming and heart gratifying.

Last year Baptist Men of North Carolina helped construct the new Tommy and Jeanie Eller Chuckwagon at Cameron Boys Camp that was dedicated May 19.

BCH celebrated this spring the 20th anniversary of the founding of Broyhill Home, our western-most campus, in Waynesville/Clyde. With the help of J. E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

In August 1990 BCH began the Gregg Children's Center for before and after school care. The Davidson County program offers security to children of working couples, who now don't have to go home to empty houses.

Children's hopes the world over have been bolstered by the 1991 return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 13-year absence, BCH lost more than \$2 million in potential gifts. Our goal this year is \$500,000. Because of a partnership established in December with the Baptist Children's Homes of Sao Paulo, Brazil, BCH-North Carolina will donate 10 percent of everything it receives over the \$500,00 goal for work in that desperately needed land.

In August 1990, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to seven the number of emergency care homes BCH operates. Emergency care, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receive \$1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

Baptist Children's Homes has a 106-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

Dedication of Minutes

The Burnt Swamp Association is pleased to dedicate the 1992 Burnt Swamp Baptist Association Annual to Mrs. Lillie Mae Brewington. Mrs. Lillie Mae Brewington will be eighty-one the tenth of November, 1992. Still spry and active in her church, Deep Branch Baptist, she gives all the credit to "my Lord and Savior Jesus Christ."

Mrs. Brewington accepted the Lord as her personal savior at Mt. Olive Baptist Church in 1922. She began her life of Christian service there at the age of seventeen as a Sunday School teacher. In 1931, Mrs. Brewington married Clyde Brewington, a farmer from the Bethel Hill community. Seven children were born to this union. Mrs. Brewington joined Bethel Hill Baptist Church and was an active member there until they moved to the Old McIntire farm near Pembroke in 1942. Mrs. Brewington taught the young people, and began her work with the Women's Missionary Union (WMU) at Bethel Hill.

The Brewingtons moved their membership to Berea Baptist Church in 1943. She began to work more closely with WMU while at that church. She also continued a long-time work as a Sunday School teacher.

The Brewingtons bought their own farm in the Back Swamp Community, now fronting Highway 74, in 1952. Shortly thereafter, in 1954, they joined Deep Branch Baptist Church. Mrs. Brewington still teaches the adult women, and continues until today as WMU Director.

Mrs. Brewington has long been active in the "mission work" of the Burnt Swamp Baptist Association, continuing to serve, as she has for many years, as a member of both the WMU Council and Baptist Women.

Mrs. Lillie Mae Brewington's life has been one of service, continuing even after the untimely death of her beloved husband in 1977. Giving God all the glory, she looks back on her life joyfully. She and her husband raised their surviving five girls and a boy, plus an adopted son, and other children for various periods of time, on the farm. She believes "knowing how to work is a good virtue." She also worked for many years at the county social services department, while continuing to manage the farm. She manages today to juggle her time, making room for sixteen grand-children and eleven great-grandchildren. She brags that she worked hard "all my life at being a good farmer, wife and mother . . . and most of all, a Christian." She is proud that "all my girls are Christians and baptized."

She also believes that her life of service to others has pleased the Lord. She explains, "I just enjoy helping others. I believe God wants us to go outside the doors of the church and work in missions. That's the key: without missions, the church would die."

GUIDELINES FOR CHURCH PROCEDURES

- Ministers coming from another denomination must pass satisfactorily an examination along Baptist doctrinal lines before being recommended to a church for ordination as stated in Article XI of the Constitution.
- 2. Licensed or ordained ministers jeopardize their denominational affiliation and church recognition when called to pastor a church outside the denomination. Because such action is considered disorderly practice, it is recommended under Article V of the Constitution that his license or

- ordination be revoked unless this pastorate is a ministry outreach of a SBC church.
- 3. Due to the severe nature and disharmony of divorce with New Testament teaching, it is recommended that associational churches make a decision concerning the use of their facilities to unite in marriage persons in a divorced state.
- 4. It is considered extremely unethical and disrespectful for any minister to enter the stand of a church without the foreknowledge of the pastor to that church. It is also considered poor practice for any congregation to deny the pastor responsible control of the pulpit.

POLICY FOR ASSOCIATIONAL VAN OWNERSHIP

This vehicle shall be registered to the Burnt Swamp Baptist Association.

PURPOSE

To enhance the associational programs by providing transportation for associational staff, officers, committees, departments or other bodies acting in behalf of or for the best interest of the associational program.

THE BAPTIST FAITH AND MESSAGE

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. It reveals the principles by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore every man possesses dignity and is worthy of respect and Christian love.

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Savior, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and

power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerated person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is a glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Savior, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. LAST THINGS

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

XII. EDUCATION

The cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly rela-

tionship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in

the spirit of love without compromising their loyalty to Christ and His truth.

XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the Spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

ODUM HOME: A HISTORY

When Odum Home opened its doors in October, 1942 four little Indian girls were admitted to group care. Formerly known as the Pembroke Indian Orphanage, the home was the first of its kind established for Indian children in North Carolina.

In 1939 concerned Pembroke citizens had organized the Indian Child Welfare Association, elected officers, and begun the first concentrated effort to take regular collections in local churches to carry on child welfare work in Indian homes.

Establishment of the Home was painstakingly slow, achieved some 27 years after E. L. Odum donated land to build the orphanage which bears his name. Early years were filled with uncertainty and struggle, changes in leadership and often critical drives to secure food, clothing and funds for additional buildings. People like Miss Mary Livermore and L. W. Jacobs refused to let the orphanage idea die.

The Burnt Swamp and Robeson Baptist Associations worked toward the Home's construction. In 1940 the two groups elected trustees for a still unbuilt Odum Home. Troy Jones, Wilbar Edwards, L. B. Barnes, I. L. Johnson, R. H. Livermore, W. L. Thompson, H. F. Townsend, and W. R. Surles represented the Robeson Association and Burnt Swamp Association enlisted W. G. Revels, L. W. Jacobs, C. E. Locklear, John L. Carter, Mrs. S. A. Hammond, Miss Ophelia Hunt, Roy Maynor and Chesley Hammond. They appealed to churches for initial funds to construct one cottage for girls.

Soliciting agents raised considerable amounts by going to country people and asking for corn, chickens, and eggs which were sold and proceeds put in the orphanage building fund.

The first unit, opened in October, 1942, housed eight girls and the Sanford Sampsons as caregivers.

Guidelines were simple. It was to be an interdenominational home with children attending the church chosen by their families. Admission depended on need alone.

Records show regular support in those early days came from Pate's Supply Company of Pembroke, which donated \$25 each month "for as long as they are able" and Albert Hammonds who sent \$5 monthly from his Army salary.

At its dedication in November 1942, the girls' cottage was reported out of debt, "with enough money on hand to meet the needs until the follow-

ing January," according to an area newspaper.

The orphanage continued to operate from private donations under the directors elected annually by Baptists. A farm, with cows, pigs, chickens and a garden helped sustain the Home. But often Mrs. Mattie Bell Jacobs would drive the orphanage truck over many country miles to solicit clothes, chickens, or potatoes.

Within four years, the Home was dependent on the farm income, regular

giving from Indian churches and gifts from other friends.

During the 1950s an appeal was made to the Baptist State Convention and the Baptist Children's Home of North Carolina, Inc. to offer financial and supervisory assistance to Odum Home. At the request of Odum Home trustees, the Baptist State Convention asked the Baptist Children's Homes trustees to assume direction of the work at Pembroke on January 1, 1958.

In February, 1960, the present colonial style main building was occu-

pied.

In September, 1977, the Sara Catherine Deal Recreation Building was dedicated. This multi-purpose center meets a need in child care and was realized through many friends from the Hickory area led by the Harold Deals and the John Newtons. It is named in honor of the Deals' grand-daughter and challenged eastern North Carolina friends to provide additional cottages.

In 1978, the Indian community raised over \$100,000 and provided a

major portion of the labor to build Indian Memorial Cottage.

On June 22, 1980, ground was broken for the Jimmy Latta/Harnett County Cottage. A lead gift came from the James Latta family in memory of their son.

With these examples of individual and community commitment, Odum Home plans a future bright enough to outshine even its own distinguished history, in service to children and families.

BURNT SWAMP BAPTIST CHURCH HISTORY

Burnt Swamp Baptist Church was organized on October 2, 1877 with twelve men and eight women. These members came from Raft Swamp and Clyburn Baptist churches. Among charter members were: Archie and Peggy Oxendine, Cary and Sally Wilkins and their son John S. Wilkins. These members were affiliated with the Cape Fear Baptist Association in Cumberland County. The first pastor was Rev. David Caswell who was serving as pastor of Raft Swamp Baptist Church at the time.

The first site of the church was located in the Union Chapel Community in Burnt Swamp Township, hence the church name. Early churches were often named for townships, creeks or rivers. The old Burnt Swamp Baptist Church was located approximately three miles from its present location on land donated by Mr. Archie Oxendine. The church remained in its original setting from 1877 to 1904, a total of twenty-seven years. Today the remains of several leaders of this early church are located in an old cemetery on a small hill to the rear of the original church site.

The old church was dismantled and moved to its present location in Raft Swamp Township in 1904. A two acre site of land, one acre for cemetery and one acre for church, was donated by Joseph and Laura Locklear and Floyd and Mary Ellen Locklear. From 1912 to 1929 there was a controversy within the association and Burnt Swamp withdrew as a member. In 1930 the church rejoined the association. In 1947 classrooms were added to the existing building under the leadership of Rev. Welton Lowry. Rev. Archie Lockee came as pastor in 1961 and remained through 1977. Under his leadership a new front and extensive remodeling of the inside of the church was completed. A Fellowship Hall was added in 1968, an additional one and half acre tract of land was donated

by the Biggs Family of Lumberton, N.C. In 1976 Burnt Swamp members agreed that repair of our existing building would be too extensive due to internal damage that had occurred to the foundation and general structure over the last one hundred years. Therefore, new plans were drawn up and in June, 1979 the church held ground breaking ceremonies with the following officiating: Rev. Tilford Locklear, pastor; William Maynor, Chairman Deacon; Hubert Locklear, Vice-Chairman; Billy R. Maynor, Chairman of Building Committee; and Rev. Tony Brewington, Director of Missions for the Burnt Swamp Baptist Association, who turned the first shovel of ground.

In June 1982, two years after starting date, the congregation moved into the new church. Burnt Swamp Baptist Association agreed to move and restore the old church on land donated by the Baptist State Convention behind the Baptist Building in Pembroke, as a historical religious Museum for the association.

In 1987 an additional one acre of land was purchased from the Biggs family for further expansion.

In June of 1990 Ground Breaking services were held for a 5800 square feet addition for classrooms and fellowship hall. Bro. Douglas Campbell was in charge of construction and in May of 1992 the congregation moved into this new facility. It includes a fully equipped kitchen, a dining hall with a seating capacity for 250, four classrooms with bathroom facilities designed for youth and toddlers, as well as a multi-purpose room which serves as a library and conference room.

The history of Burnt Swamp Baptist Church has been full of success since that humble beginning over 115 years ago. Today, under the leadership of Rev. W. Gary Locklear, the Sunday School enrollment has increased to 192 with an average attendance of 120. Our receipts for this year will total near \$65,000. We anticipate great things from God and for God to continue in this the mother church of the Burnt Swamp Association.

DIRECTOR OF MISSIONS REPORT 1991-92

The Mission Vision of the Burnt Swamp Association includes outreach and ministry that brings people to Christ. God has given us a genuine spirit of cooperation among the churches to His glory. In the midst of our Christian fellowship and zeal, we have attempted and shared significant service to God. Take a look at a simple listing of some of the ministries we have shared.

- 1. The establishment of the Lighthouse Mission Church near Aberdeen, N.C. Provided \$600 monthly support for mission pastor
- Implementation of Church and Community Ministry program, February 1992 Part-time CCM Director position funded by Home Mission Board
- 3. Growing in missions giving support for Association and Convention ministry
- 4. World Missions Conference Planning & Preparation for 1993 Conference
- 5. 100% VBS participation in the churches
- 6. Sunday School Breakthrough being experienced
- 7. Tremendous Backyard Bible Club project this Summer
- 8. Summer Student worker program for 10 weeks
- 9. Senior Indian Ministers Banquet in July
- 10. Hurricane Andrew food and financial relief assistance raised
- 11.4 construction projects involving our Baptist Men
- 12. Celebrated 50 years of Odum Home ministry to children and families
- 13. Continued training of ministers at college and seminary level
- 14. Another remarkable Children and Youth Bible Drill year with the state's highest scoring youth from Mt. Elim

Our Association ministry is broad and depends on the faithfulness of churches and volunteer program council members. The list above would be seriously reduced without the superior commitment of the people you provide to work with us in Association ministry. My personal activities have included participating with our program councils in accomplishing our tasks through prayer preparation and performance. It has been my joy to labor with these gifted persons. Also, I have visited in 49 of Burnt

Swamp churches. 8 times I was invited to assist with revivals, 8 study courses and 5 workshops. I recorded 22,050 miles of travel. Four churches who are unaffiliated with any conference invited me to speak in their pulpit. I attended one Sunday School Board workshop and one convention in Nashville and Indianapolis. In North Carolina, I participated in 4 conferences at Caraway, Caswell, Cary and Buies Creek.

Assisting churches reach their community for Christ gives us a reason for being here. Churches are attempting that under great stress. Conflict and struggle have set upon some of the churches. However, our victory is in our God and our own yielding to His mind. The best work for the Lord often is accomplished in the face of hardship. Let's be encouraged to press on in the strength that He provides.

Rev. Mike Cummings, Director of Missions

2. Total giving to Associational mission

1989 - \$62,911,24

1991 - \$93,225.44

3. Cooperative Program Giving

1989 - \$37,209.41

1992 - \$60,941.14

4. Baptisms

1989 - 329

1991 - 485

5. Total Membership

1989 - 8056

The mission projects led by our WMU and Baptist Men have helped us meet many needs in the Native American community. In Oklahoma, South Dakota, South Florida or right here at home, missions projects have kept us challenged.

We are thankful for the Church and Community Ministry Program provided by the Home Mission Board. Mrs. Patricia Bullard does a splendid job of serving us as our Director. I want to praise our ASSISTeam for their very capable leadership in our Sunday School program. Thanks to the many other volunteers who have served on Committees and Councils during my term as Moderator. We are thankful for the leadership provided for us in our Association staff, Rev. and Mrs. Michael Cummings. The great days in God's work are yet to come for us in Burnt Swamp.

Let's encourage our people to press on, expecting new opportunities for Christ's glory.

Rev. Bruce Swett, Moderator

BAPTIST CAMPUS MINISTRY REPORT Pembroke State University - 1992 Burnt Swamp Baptist Association

The 1991-1992 school year proved to be a fruitful year in ministry at the University setting. This is an exciting place to serve Christ. Students are facing many important life choices, having opportunities to develop leadership skills, and growing in their relationship with Christ.

HIGHLIGHTS:

The BSU raised over \$4,400 for Missions and Ministry. \$2,200 was raised through our Commuter Lunch Ministry. A special thanks goes out to Beulah, Elrod, Galilee, Mt. Airy, Mt. Elim, and Zion Hill Baptist Churches who served over 800 meals. We had over 300 different students who participated in our luncheon ministry with an average of 115. The WMU leadership from Lillie Mae Brewington, Janet Chavis, Margaret Dimery, and Mary Sampson has been greatly appreciated for their coordinating efforts. The funds are used in a variety of ministry and mission endeavors.

Eleven students participated in a 12 day Foreign Mission trip to Jamaica, WI. They had opportunities to participate in a crusade, lead in worship, share their testimony, visitation, painting, puppetry, and work with youth and children.

Baptist Campus Ministry celebrated 50 years in ministry here at Pembroke State on 2/8/92. BSU was organized on November 10, 1939 under the guidance of Miss Velma Presler. Founding members included: Roy Maynor, I. P. Lowrey, Mary Livermore, Harvie Brewington, Earl Sampson, Tessie Hunt, Roberta Hammonds, Georgia Locklear, James Hammonds, Helen Emanuel, Cora Sampson, Seavie Lowrey, Ila Oxendine, Annie Locklear, Sarah Dial, Luther Dimery, Roscoe Brewer, Adief Oxendine, and Madif Locklear. We are grateful for the rich heritage and history that the present day BSU has inherited. A special thanks goes to Mary Martin Bell, Danford Groves, and Maxine Locklear Jacobs for their work on the planning committee and to Henry Oxendine, Lindy Martin, Mary Alice Teets, and Lillie Mae Brewington for their participation in the program.

Other highlights include: five students were led to the Lord, an average of 24 students at our weekly fellowship with over 95 that participated in various events, there were four bible study groups, and 17 students went to Ridgecrest for the BSU Convention. The Winter Retreat continues to grow. It is held during the last full weekend in January at Caswell and is for BSU and local church college/career Sunday School

classes. Three student led worship teams served local churches and much more.

I do want to thank the Burnt Swamp Baptist Association and their Leadership under Mike Cummings for our cooperative working relationship, van use, budgeted support, and friendship.

Rev. Ron Sanders, Campus Minister

SUNDAY SCHOOL REPORT 1991-92

The 1991-92 theme for Sunday School was "BREAKTHROUGH: Equip to win." "Equip to Win" is a strong biblical concept. Christ has given the church the gift of leaders, for the work of ministry, for building up the body of Christ . . . Ephesians 4:11, 12.

When you apply BREAKTHROUGH to the task of the Sunday School it means reaching, teaching, winning, and ministering to more people in Jesus' name than ever before.

We thank the Lord for the churches that are striving for a BREAK-THROUGH, by beginning an Outreach Program, conducting Workers Training, and putting the Basics of Sunday School work into practice.

The annual Sunday School Leadership Night on September 15, was very successful. There were 24 churches participating with 210 workers attending. Mt. Airy was our host church for this event. Zion Hill was recognized for having the highest attendance percentage wise.

Sunday School Director of the year was Dorothy Cummings, Director for Elrod Church. Special recognition was given to McConnell Silver, Director for Mt. Bethel Church.

The Burnt Swamp Baptist Association has been recognized again this year by the Baptist State Convention, for work done in the Associational Sunday School Program.

VACATION BIBLE SCHOOL REPORT 1991-92

This year has been a rewarding experience. I would like to thank the Burnt Swamp Association for allowing me to serve another year as their VBS Director. Our goal this year was to help every church in the Association that did not have VBS last year to conduct one this year. We accomplished that. The Associational VBS Clinics drew great attendance again. Below is a report of the Associational VBS Clinics.

Early	Main	Main	Number	Number
Planning	Clinic	Clinic	Churches	Pastors
Conference	#1	#2	Present	Present
4	146	155	39	23

Together, the churches and the VBS Team have really worked hard. It has been very exciting and enjoyable. I would like to thank the Pastors and VBS Directors for their dedication and words of kindness and encouragement. Let's continue to work together and keep God first in our lives.

Mrs. Barbara Oxendine Associational VBS Director

DISCIPLESHIP TRAINING REPORT 1992

The news on Discipleship Training is generally not good. We received some very disheartening information from the Sunday School Board during the year. It was determined from your church letters that most of our churches were not providing any training at all. The number of churches in our Association who provided some type of Discipleship Training last year was twenty-five with an enrollment of 2,826. The results of our investigation into this revealed that many church clerks are not reporting the training activities that your church conducts — study courses, Bible Drill, new member training, new Christian training, training for youth or children, ongoing training with the dated and undated material. Discipleship Training involves any activity led by your church to provide development in the Christian life. Please recognize this important need of the church. Many of you received letters from the Association Discipleship Training Director as well as Mrs. Vivian Simpson, our convention helper in this area. We attempted to explain the proper reporting of training activities on your church letter.

Here are some of our significant Discipleship Training activities:

1. M-Night November 25, 1991

Theme: "DiscipleALL . . . Embrace God's Word"

Speaker: Rev. Fred Carlton

Attendance: 13 churches, 163 people, 8 pastors

2. Bible Drill Report:

Youth Bible Drill - 10 churches, 50 Youth Children's Bible Drill - 12 churches, 66 Children

3. Assisted with workshops and responded to requests for information about Discipleship Training

Arnold Oxendine, Director

BAPTIST MEN'S REPORT 1991-92

1992 has been another year in which God has opened many new avenues for Baptist Men all across our state and Association to become personally involved in missions.

When hurricane Andrew slammed ashore in South Florida, the N.C. Baptist Men's office responded by sending the Disaster Relief van to South Miami, where it began in earnest to prepare more than 3000 hot meals per day for thousands of homeless victims of the hurricane.

Locally, our churches responded to a call from our Baptist Men, Director of Missions, and Association for help for the victims. The relief supplies poured into the Association office from the churches. Several trucks of relief supplies left Pembroke and were loaded on other trucks bound for South Florida.

We were made aware of two tribes of Indians that had been hit by the storm. The Miccosukee Tribe in the Everglades in South Florida and the Houma Tribe in South Louisiana. After several conversations with the Tribal Chairman Billy Cypress of the Miccosukee it was determined that their needs were being satisfactorily met.

We then turned our attention to the Houma Tribe in South Louisiana. Their Tribal Chairman Kirby Verret, a local minister, said that many of their folks were still living in shelters without many of the bare necessities. It was here among these folks that the Baptist Men determined to concentrate our relief efforts over the next weeks and months. Several thousand dollars that was sent in by churches designated for Andrew relief efforts was sent to the Tribal relief organization to be used to purchase building materials, etc. We are still considering sending a work crew at a later date to help in the relief efforts there. This year Dogwood started a new Baptist Men's unit in their church and others are still considering doing the same. We had several work days to help our churches with construction needs. We pray that our Baptist Men will continue to encourage, and inspire other men to become a member of God's great army of men in Missions. Thank you for another great year in the Lord.

Rev. Hubbard Lowery, Director

CHURCH AND COMMUNITY MINISTRY REPORT 1992

This ministry began as an outgrowth of the missions development emphasis of our Associational WMU on February 15, 1992. My position as a salaried person working with the Association is funded through the Special Ministries department of our State Convention with funds being derived from the Home Mission Board. Actually, as your CCM Director, I am appointed by the Home Mission Board. My monthly reports are filed with our Director of Missions and also Mr. Neal Peyton of the Baptist State Convention.

The first task of the CCM was to establish working space at the Association office. We already had a food closet ministry being formed by our BYW and I came in to manage that ministry. The HMB assisted us with \$300 to add to our food closet. We assisted Cedar Grove Church in Fairmont in locating \$500 in start-up funds for their own food ministry. I have been able to interpret my work as CCM Director to many of our churches, especially by means of the WMU organizations. One of my goals has been to establish food ministries in churches throughout the Association. Several churches have responded with their own programs and many of you have brought in food items to keep our own food closet stocked.

Some of my activities have included: administering our food closet, finding clothes for burned out victims, locating a bed for one family, assisting with a funeral, locating an apartment in a low-income housing unit, providing a telephone for a lady with an 11-year old terminally ill

child, helping raise funds for the Cancer Society and National Federation for the Blind from our churches, helping organize a work team of Baptist men to assist a disabled lady with home repairs, assisting with receiving and disbursing hurricane Andrew relief, helping to maintain the Tuesday afternoon Bible study time at the Pemberton Place Nursing Home, assisting with devotion and Bible study time at the NC Cancer Institute on 2nd and 4th Thursdays. Although I am only a part-time worker, the opportunities for involving our churches in this Association in social ministry have been enormous.

Some of the ongoing community ministries are:

- Bone Marrow Donor Program contact: 1-800-228-1496, Henderson Bullard
- 2. HIV/AIDS contact: 919-739-7851, Ron Ransom
- 3. Buddy Training . . . AIDS contact: 919-521-9355, JoAnn Turner
- 4. Infant Mortality Task Force contact: 919-671-3200, Debbie Branch
- Palmer Drug Abuse Program (PDAP) contact: 919-618-1135, Maxine Elliott
- 6. MADD contact: 919-739-8129, Debbie Stone

Some statistics of our social ministry include:

- 45 requests for funds from the Emergency Relief Fund were received
- 12 of these were indirect church requests
- 11 families received food from the food closet which included 36 individuals, 16 of which were children
- 19 churches participated in Backyard Bible Clubs
- 80 professions of faith through BYBC
- 700 persons enrolled through BYBC
- 2,000 people were touched by the BYBC ministry
- 833 persons have been tissue-typed as potential marrow donors
- Rev. Bruce Swett waiting now as prospective donor for 21 yr. old man

Mrs. Patricia Bullard, CCM Director

PASTORAL MINISTRIES REPORT 1992

As Moderator of the Preachers and Deacons Meeting, I plan activities for pastors and deacons. Pastoral Ministry is as broad as the total life of your church, going beyond simply these two leadership positions. As a result, one of our greatest contributions to a church is to assist in the development of a coordinating committee for all of your church events and plans. This is called a Church Council. Our goal was to assist 12 churches with establishing and training a Church Council. We actually assisted 6 individual churches by means of discussions led by our Director of Missions. The Church Council is the planning, coordinating and evaluating committee for your church. Let me recommend that your

church invite us to help you learn more about this important dimension of your church life. Without a doubt, this group of persons is a pastor's most helpful committee. The Preachers and Deacons meetings were held on schedule this year, on Monday night of each month in which we held a Union. Our aim again was to provide challenging discussions for pastors and deacon leaders, while sharing important information to assist them in their work as leaders. Here is a list of our meetings and program themes:

- 1. "The Inactive Member and His Role in the Church" Dec. 2, 1991
- 2. "Stewardship," Dinner was provided by Convention March 2, 1992
- 3. May 4, 1992
- "Parliamentary Procedure," Dinner provided; more than 150 present August 3, 1992

Thank you for the opportunity of leading in this important aspect of our Association life.

Rev. Manford Locklear, Director

EVANGELISM COMMITTEE REPORT 1992

Our greatest single event in Associational evangelism continues to be our Winter Evangelism Conference. Our goal this year was to interpret the "Total Church Life" initiative adopted by our Convention. It became our theme for the Evangelism Conference, Feb. 16-18, 1992. Here is a summary of that conference.

Sunday, Feb. 16 "Exalt the Savior"

Speakers: Rev. Mike Cummings and Rev. Wade Locklear

Monday, Feb. 17 "Equip the Saints"

Speakers: Rev. Tony Brewington and Rev. Jimmy Deese

Tuesday, Feb. 18 "Evangelize the Sinner"

Speakers: Rev. Steve Jones and Rev. Charles McDowell

Evangelism keeps us growing. Our committee aims to keep this theme before us each year.

Rev. Larry Locklear, Director

STEWARDSHIP REPORT 1992

We are grateful for churches teaching principles of Christian stewardship. The life of the church is directly affected by the church's understanding of Christian stewardship of all of life — our time, talents and treasures. The Cooperative Program is the major vehicle by which we support the missions causes of our great denomination. Many of the churches have grown in their support of this phase of our stewardship. We urge upon all of us to lead our people to give to God's work as He prospers us. Then let's lead our churches to give to the missionary ministry of our Association, the N.C. Baptist Convention and the Southern Baptist Convention.

Our annual Stewardship Conference led by the state convention staff was held on March 3 during our Preachers and Deacons meeting. The attendance was good and the instruction helpful.

Rev. Donald Bullard, Director

CONTINUING EDUCATION REPORT 1992

Encouraging Pastors in their pursuit of education continues to be the burden of this committee. One pastor is enrolled in the seminary, while 4 are fulltime students at Campbell University and several others are enrolled in some kind of ministry training with us or on their own at other schools. We have provided the following courses for our students through seminary external education at our Baptist Building.

- 1. "WiseCounsel" December, 1991
- 15 enrolled
 2. "Old Testament Part 1"
 December, 1991
- 8 enrolled
 3. "The Teaching Ministry of the Church"
 July, 1992
 Enrolled 22
- 4. "Old Testament Part 2"
 July, 1992
 Enrolled 3
- "Matthew The Sermon On The Mount" September, 1992
 Enrolled 3
- 6. "I and II Peter" Fall, 1992 (Dr. Ralph Richardson) Enrolled 46

The scholarship fund has been available for ministers involved in college level training. We have not used as much this year because there has not been as much available and our college students received assistance elsewhere. However, we need to build our scholarship fund so that we may have available funds whenever a minister needs help with his college costs. Most of the churches will assist their minister and/or other ministers in their membership with these expenses. We are grateful for that. Continuing Education for the ministry is a requirement that Burnt Swamp Association supports.

THE MISSIONS COMMITTEE REPORT

The Missions Committee has been engaged in assisting the new work established at the Lighthouse Mission near Aberdeen, N.C. Rev. Shelly Dial began services in that community as a result of a community survey led by some members of the Mt. Elim Baptist Church. The Associational VBS team also led a Backyard Bible Club in the area late last summer and agreed with Mt. Elim that a Sunday School needed to be begun in the community. On November 17, 1991, the first services were held in the Lighthouse community, meeting in a building erected when the community was under a United Methodist ministry. We requested that the Baptist State Convention assist us with this new work and they have supplied us with \$150 monthly rent and also travel and retirement money for the pastor, Rev. Shelly Dial. The Missions Committee also requested that the Association would raise \$600 monthly to provide a salary for Rev. Dial. We are pleased to report that the churches responded generously to this request.

On March 15, 1992, the Lighthouse Mission Church was officially constituted with the assistance of the Missions Committee. There were 5 adults who presented themselves for membership. The progress of the new work has been wonderful. We commend Rev. Shelly and his wife, Sheryl, for doing good ministry in that area. The Missions Committee also recommends to the Association and State Convention the annual requests for assistance from the Convention for help with pastors' support and other Association projects. This year we will receive more than \$10,000 for these requests in our Association work. \$6,000 of this pays for our CCM Director, Mrs. Pat Bullard.

At the October, 1992 Executive Board meeting, the Missions Committee also endorsed a new work led by Rev. Don Bullard at the Sandy Ridge Community church near Maxton. The Executive Board agreed to ask the Convention to assist us with some travel and retirement support for Rev. Bullard as he attempts to lead this new assignment. We are thankful for the help our stronger churches are willing to give when we have to unite to assist newer and smaller work.

Rev. Manford Locklear, Chairman

GENERAL BOARD REPORT 1992

The General Board, the Convention between annual meetings of the Convention, held meetings in January, May and September of this year. The General Board has a general supervisory role over the work of the Convention staff and employees of the Baptist Building, Caswell and Caraway. The Board also supervises the Convention's institutions and agencies. We also recommend to the Convention its annual budget, reports of various committees and nominations of the names of the Convention trustees.

The issue of homosexuality was of great concern to the General Board this year. Our policy was as follows: no funds of any kind, designated or undesignated, shall be accepted by this Convention, its programs, institutions or agencies, from any church which knowingly takes, or has taken any official action which manifests public approval, promotion or blessing of homosexuality. Any such church shall not therefore qualify as a "cooperating church" as defined in Article IV, A, 3 of the Constitution of the Baptist State Convention of North Carolina. The Board voted with a clear and unambiguous voice in favor of the stated policy.

Many concerns were addressed by the General Board relating to institutions of higher learning and Christian education. Areas of concern were:

- a. Quota system
- b. Trustee selection
- c. Funding
- d. Mission statement
- e. Accountability

The Communications Division is producing the "Church Leader," the *Directory of N.C. Baptists*, and the *Annual of the Baptist State Convention*. Ministers will receive a Church Resource Packet each May, August, and January.

The General Board has placed a Committee to study the feasibility of changing our Convention time to a Friday and Saturday. The General Board will bring its reports and recommendations to the 1992 Convention and that such plans become effective with the 1993 Convention.

Pray for those serving your Convention.

Rev. Steve Jones, General Board

REV. WADE LOCKLEAR

The Burnt Swamp Association is pleased to dedicate the 1993 Burnt Swamp Baptist Association Annual to Rev. Wade Locklear. Rev. Locklear was born September 6, 1924. He was saved at his grandfather Henderson's home one Sunday night in 1938, while they were having prayer meeting. He was only thirteen years old. He became a member of Mt. Elim Baptist Church the same year.

In 1947, at the age of twenty-three, he was called to the gospel ministry. Rev. Wade Locklear along with Rev. Claudia Dial conducted street services from 1947 to 1949. From 1949 to 1956 they conducted tent services that were held from McColl, SC to Clinton, NC. In winter months these services were held in church buildings. One highlight of the tent services was an eleven-week revival with these two ministers preaching every night and working a public job every day.

The evangelistic ministry of the Rev. Locklear and Rev. Dial was a significant work of God among Indian people, not only in North Carolina but also among tribes beyond this state. Hundreds of people followed the evangelists from meeting to meeting. Their tent was large enough to house thousands of people, and at times, it was overflowing and people stood on the outside. God only knows the impact of the Locklear-Dial revival team upon our people in those days. Thousands of souls were

saved, several churches birthed and many more strengthened as a result of this ministry.

In 1950 Rev. Wade Locklear was ordained. He became the pastor at Beulah Baptist Church. He was there for two years. In October of 1950, he also became pastor at Gospel Tabernacle. He was pastor there for seventeen years. In 1958, he became pastor at Union Baptist where he served for twenty-three years, alternating two Sundays out of each month with Union and Gospel Tabernacle. During this same time, he was pastoring at Galilee Baptist Church on Sunday nights. He served for two years on this schedule.

In 1969, he left Gospel Tabernacle and became part-time pastor at Smyrna for two years. In 1981, he left Union Baptist and became interim preacher for Oak Grove. In that same year, Oak Grove called him as full-time pastor, where he has been for thirteen years and is presently serving.

Rev. Wade Locklear has long been active in the work of the Burnt Swamp Baptist Association, serving as Association Moderator and Chairman of many committees. The Association appreciates him for his strong leadership in the work of our churches. He has always stood for cooperation among the churches and helped us to maintain strong fellowship in our Association. Among our Indian people, there are some who are gifted story tellers. Bro. Wade is such a one. He has charmed many a group with tales and anecdotes mostly from real life that were filled with hilarity. He has been our entertainer. Whether on a mission trip with a passenger van loaded with men, in meetings in which he is in charge or simply visiting with you from time to time, Rev. Locklear is always a great delight to his company. His life is marked by highly admirable Christian service. We are so blessed to have a leader with the talent, energy and commitment as that of Rev. Wade Locklear who continues to give God all the glory.

THE BAPTIST FAITH AND MESSAGE

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. It reveals the principles by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore every man possesses dignity and is worthy of respect and Christian love.

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Savior, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to

progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerated person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is a glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Savior, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. LAST THINGS

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

XII. EDUCATION

The cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom

of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the Spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

BURNT SWAMP BAPTIST ASSOCIATION ANNUAL MEETING

October 14, 1993 Smyrna Baptist Church

The opening song for our annual meeting was "Send the Light." Devotion and prayer was offered by Rev. Charles Locklear, Pastor of the church. He read scripture from Jeremiah 8:20-22 and brought a welcome to our meeting from the church.

The Moderator called the 116th Annual Meeting of the Burnt Swamp Baptist Association to order. Roll Call was made and 49 churches were in attendance. The Clerk offered a motion to approve the minutes of the 1992 Annual Meeting, stating that the minutes had been printed and distributed to the churches. The motion passed.

Rev. Sterling Chavis, Program Committee chairman, moved the adoption of the program for the 116th Annual Meeting of the Burnt Swamp Association with the theme "Hope for Hurting Humanity." He made two changes in the order of topics on the agenda: Bro. Larry Sawyer and Bro. Russell Begaye would exchange time slots as recorded on the program. The motion was approved.

Rev. Gary Chavis gave the theme interpretation, "Hope for Hurting Humanity." He made the distinction between the temporal and the eternal hope. He called upon churches to cooperate with the SBC initiative to plan and conduct a specific ministry project to hurting people in 1994.

The target dates for the project are June 19 - July 31, 1994. He commented on our Christian responsibility in helping the hurting in our communities.

The Moderator called attention to the Constitution Committee report in the Annual Meeting Program book of reports. He explained that the proposed changes needed to be studied by the messengers as printed and previously approved by the Executive Board. He directed the messengers to be prepared to vote on the changes at Friday's meeting.

The Association Program reports were presented by respective program directors. Sis. Dorothy Cummings gave the Sunday School report. She stated her optimism that "Breakthrough" was happening in Sunday School through leadership training. Her report was received and approved by motion. The Discipleship Training report was noted by the Moderator as it appeared in the book of reports. The Director of Missions announced to the messengers that the Nominating Committee was not able to present a nominee for Discipleship Training Director. He requested our prayers and input of recommendations for this position.

The Baptist Men's report was given by Bro. Windell Hunt, Director. He reported on the many ways Baptist Men were assisting needy and hurting people. He updated us on the planning process now going on in Baptist Men's work with church leaders of Brotherhood work. He stated several goals for this year and moved the approval of his report. The motion passed.

The WMU report was given by the Director, Mrs. Mary B. Hunt. She pointed to the report in the book of reports and added about her personal enthusiasm for the organized women's missions ministries in the churches. The Association WMU program is well recognized for outstanding achievement in the state. Her report was approved by majority vote.

Mrs. Patricia Bullard gave the Church and Community Ministry report, pointing the messengers to read the printed report in the book of reports. She thanked the churches for cooperating in this ministry. She distributed a survey sheet to the messengers in an attempt to gather information for this ministry. Her report was approved by a majority vote.

The Youth Ministry report was given by Bro. Manny Mintac, our new Director of Youth ministry for the Association. He spoke of his anticipation of working with our youth program. He listed several goals for the youth ministry, including full participation from every church. He also distributed a survey form to assist in locating youth leaders in the churches. He moved the adoption of his report and the motion passed.

Bro. Larry Sawyer, Director of Odum Children's Home, spoke about the ministry we are providing to children and families. He encouraged us to open our vision to young people who are in trouble and need the church like never before. His report was received by a motion passed by the body.

Smyrna Church choir provided special music with two selections, "I Am His and He Is Mine" and "I'd Like to Talk It Over with Him." Rev.

Horace Strickland, pastor of Galilee Baptist Church, brought a wonderful message from Rom. 1:14-16. He urged us to get the gospel outside of the church building and into the fields. He asked the question, "Have we lost our society?" The messengers were blessed by the sermon. Rev. Charles Locklear adjourned the morning session with prayer and the group was dismissed for lunch.

AFTERNOON SESSION

Vice-Moderator Steve Jones presided at the Thursday afternoon session, which opened with the singing of the hymn "Rescue the Perishing." Prayer was led by Rev. C. H. Richardson.

The BSU campus ministry report was brought by Rev. Ron Sanders. He urged us to see the gospel as an investment, as God had invested completely in His Son Jesus. He thanked Burnt Swamp churches for serving along side the BSU in ministry to Pembroke State University. His report was received by majority vote.

Bro. Josephus Locklear gave the Historical Events report. One correction was made from the floor and his report was received by vote of the body. Moderator James M. Locklear gave the annual Moderator's address. He spoke of the life and growth of the Association with excitement. He admonished us to proceed with our vision toward the ministry to Native and American Indian people. He remarked about the valuable input of the Association Council into our work. He also advised us to learn to dream again as an Association.

Rev. Steve Jones led us in remembering our loved ones deceased since our last annual meeting. Some changes in the list recorded in the book of reports were added from the floor and will be reflected in the revised report to appear in the Association Minute report book. Rev. Welton Lowry offered prayer.

The Credentials Committee report was given by Rev. Larry Locklear. He stated that the two churches petitioning for membership would be contacted by his committee and a report made to the Executive Board. A motion was approved to accept the Credentials Committee report.

Rev. Graylin Mitchell requested that the messengers remember in prayer all of our soldiers who were assigned duty in Somalia and other areas of intense concern. A motion to extend an appreciation to Smyrna church for hosting our annual meeting was approved. Bro. Steve introduced Bro. Russell Begaye who would speak in the next day's meeting. Bro. Marvin Lowry led the closing prayer.

BURNT SWAMP BAPTIST ASSOCIATION ANNUAL MEETING

October 15, 1993 Baker's Chapel Baptist Church

The opening song for the second day of our annual meeting was "Victory in Jesus." Rev. Tecumseh Brayboy led in prayer and Pastor Lindberg Chavis gave the devotion.

The Clerk gave the Executive Board report. He pointed out that each Executive Board's minutes were recorded in the book of reports. He offered a motion to receive his report and the motion passed. Rev. Mike Cummings gave the Director of Missions report. He first recognized Rev. Wade Locklear and invited him to speak to the messengers. Rev. Wade thanked the churches for the good they have meant to him during his sickness with gifts, money and, most of all, prayers. Bro. Mike stated our growth in missions vision as an Association of churches. He explained the Missions Development Council and how it helps us plan and coordinate our missions work. Rev. Cummings moved that we give \$250 to each of the three persons participating in the Honduras mission trip on October 20 - 25. They are Mr. and Mrs. Larry Hunt and Mrs. Delores Jones. The motion passed. His report was received by a majority vote.

Rev. Steve Jones spoke to the topic "Hope through World Missions." As Burnt Swamp's representative to the North Carolina General Board, he told us to go "wall to wall" with gospel and become even more mission-minded. His report was received by vote of the body. Rev. Russell Begaye, consultant with the Home Mission Board of the SBC, spoke to us about "Hope for Our Indian People." He remarked about the uniqueness of the annual meeting in Burnt Swamp Association among Indian people in this country. He related that less than 10% of American Indians have come to now Jesus. We Southern Baptist are the largest denomination reaching American Indians, but we have reached on 5% of us. His message was a great challenge to our Association to continue to move forward in missions to Native and American Indian people. His report was received by the body.

Special Music was provided by Baker's Chapel choir. They rendered two selections. Rev. Terry Cummings, Pastor of Gray Pond Church, brought a message from Acts 2:41-47. He spoke of the power and peace God gave His disciples in the early church days. His message was received with great joy by the messengers. Rev. Wade Locklear offered our closing prayer and we adjourned for lunch.

Maynor moved that the messengers accept the entire slate proposed by the Nominating Committee as our officers for 1993-1994. The motion passed.

Several announcements and prayer requests were given at this time. Rev. Sanford Locklear reported on the activity of the newly appointed Historical Committee. He invited all churches to send their written history to the Baptist Building within the next three months. He said that the committee would meet and put pictures with these as well. THE HISTORY OF SMYRNA BAPTIST CHURCH

The now Smyrna Baptist Church began as a mission, on the Little Swamp Road, called the Little Swamp Mission. It began with only a handful of people who came from the Antioch Baptist Church across the swamp, who wanted to begin a church of the people of the Little Swamp community. As best as can be determined, the year was in 1888 and the church was made up of just a handful of faithful and determined people. These were Mr. Eli Hagans, his wife Mrs. Annie Bonita Hagans, their daughters Martha Hagans Chavis and Nepsie Elizabeth Hagans Fields, and also Nepsie's husband, Mr. John Fields.

The Little Swamp Mission remained so until 1896, the year that they petitioned the Burnt Swamp Baptist Association for membership. A committee of Revs. A. D. Locklear, Gilbert Locklear, P. P. Locklear, Z. B. Brooks and Jordan Chavis was appointed to examine the orthodox and Christian state of the church and report back. After examination, the committee gave a favorable report; and on motion, the delegates were received and given the right hand of fellowship. The names of those first delegates were: James Goins, J. H. Hagans, and Henry A. Morgan.

The first pastor according to oral history was the Rev. Phillip Locklear. The first pastor of record as best as can be found was the Rev. W. M. Sampson. The first board of deacons consisted of Mr. John Fields, Mr. Wilson Morgan, and Mr. John Hagans, Sr. The first land was 2.6 acres purchased for \$1.00 from Mr. John and Elizabeth Fields by trustees John Fields, John F. Hagans, and Henry A. Morgan. This property was deeded in 1915 but was used many years before the deed was written according to tradition.

The history of Smyrna Baptist Church is full of success since that humble beginning 100 years ago. Today the church is situated upon approximately 29 acres of land with an 8 acre cemetery, Robeson Memorial Park, across the road. The average Sunday School attendance is approximately 210 with a gross income of about \$87,000.00. To this, we give God the glory and the praise. The Rev. Charles P. Locklear became pastor in 1991 and is serving full time.

THE HISTORY OF BAKER'S CHAPEL BAPTIST CHURCH

Baker's Chapel Church was founded on April 2, 1975, located west of Pembroke, N.C. on Baker Road. The first pastor of the church was Rev. Davis Locklear. The land for the church building was donated by Mrs. Gretchen B. Hatcher, a lifetime resident of the community. A beautiful sanctuary and classrooms were erected. Upon their completion, the church built a modern fellowship hall with additional Sunday School space.

In the Spring of 1979, additional land was purchased for development of a spacious parking lot adjacent to the fellowship hall. The parking lots were all paved and marked, giving the church campus a very attractive appearance. Plans are prepared for adding more space for offices and Sunday School classes. The church is blessed with able men and women who can provide these needs.

The first Superintendent of the church was Bro. Lewis Brooks. The first Stewards were Bro. William G. Locklear and Bro. Rufus Strickland. The first deacons were Bros. Earl Locklear, William H. Locklear, Floyd Locklear, Harrison Jones, Samuel Strickland and Chairman Tommie Deese.

In 1985, Rev. James Lindberg Chavis became pastor of the church. He accepted their call to full-time pastoral work in 1989. Today, Baker's Chapel is a well organized Baptist Church, offering a full schedule of church programs to its membership. The church contributes faithfully a percentage of its undesignated gifts to missions through the Cooperative Program and the Burnt Swamp Association.

SUNDAY SCHOOL REPORT 1992-93

The 1992-93 theme for Sunday School was "Breakthrough . . . Equip to Win." Equip to win is a strong biblical concept. Christ has given the church the gift of leaders, for the work of ministry, for building up the body of Christ... Eph. 4:11-12.

As we close out this church year we can see progress toward Break-through in our churches. Fifteen churches participated in our July Associational Training School at Smyrna. Twenty-four were with us at Harpers Ferry in September for the Associational Sunday School Leadership Night. The ASSISTeam received high evaluations for both events.

Rev. Chester Chavis from Zion Hill has joined the ASSISTeam as Pastors' Assist Director. He will help interpret the Sunday School program to our pastors. Listed below is our ASSOCIATIONAL ASSISTeam and the activities we have been involved in this year.

STEWARDSHIP REPORT 1992-93

On February 4, 1992, the Stewardship program sponsored a workshop held at Linda's Restaurant in Pembroke. Our meeting was led by Mr. Tom Womble from the Baptist State Convention. The attendance was good and the instruction helpful. Our dream for Burnt Swamp Association is growing commitment to world missions, beginning with our Association and reaching the ends of the earth. Our Association is an important part of the World Missions enterprise. We need to keep our giving faithful and regular as we work toward strengthening our churches for Christ's ministry.

We urge upon all of us to lead our people to give to God's work as He prospers us. Please refer to the financial charts describing each church's missions support for this year. We are grateful that our churches are growing in their commitment to the world missions program and the local Association program.

Rev. Donald Bullard, Chairman

VACATION BIBLE SCHOOL REPORT 1992-93

1993 has been another rewarding year in VBS. The VBS team attended the workshop in Wallace, N.C. for their leadership training. At this meeting, our Association VBS received the following Certificates of Achievement: conducting the most Mission Vacation Bible Schools and Backyard Bible Clubs in 1992, having 348 people in attendance at their 1992 Vacation Bible School Clinics, having the largest number of churches earning Vacation Bible School Achievement Awards in 1992 and leading a significant number of the churches and missions to conduct and report a VBS in 1992. I would like to thank all the churches for participating. If not for you we could not have received these certificates.

Each year I have served has been a rewarding experience. If at any time you need my help, please feel free to call. With God's help and us working together we can make VBS a success. I sincerely appreciate all of you. Below is a report of the Associational VBS Clinics.

BAPTIST MEN'S REPORT 1992-93

1993 has been a good year for Baptist Men all across our state and Association to become personally involved in missions. I would like to thank the Burnt Swamp Association for allowing me to serve as Brotherhood Director.

In our Brotherhood planning meeting we decided to do as the Bible says and start at home. We worked with church construction needs, built porches and ramps for wheelchair victims, cut wood for elderly, sick and widows, and searched out the hungry in our own communities. Our Baptist Men also helped to paint the Baptist Student Union House and organized a crew to assist with the cleanup of the PDAP property in Pembroke. The last event of this year was a very successful Baptist Men's Rally held at Faith of Calvary Baptist Church. There were about 150 men in attendance and we experienced a wonderful evening of challenge and inspiration. The church provided us a delicious meal, after the meeting ended.

During the year we had four Baptist Men units to organize: Mt. Moriah, Union Light, Faith of Calvary and Rock of Ages. We are excited about the coming year to learn, teach, pray and do missions for the glory of God.

Rev. Windell Hunt, Brotherhood Director

DISCIPLESHIP TRAINING REPORT

Our mission in Discipleship Training is to equip the saints for the work of ministry. We borrow that directly from the scripture. One of the greatest oversights of our churches is the valuable help this program brings to Christians. We heartily urge upon Pastors to explore this program and many tools that are available to your ministry.

Burnt Swamp was committed to Bible Drill again this year. 67 children and 35 youth from 11 churches participated in the Bible skills events. Also, 3 youth from 3 churches entered the youth speaking event. Burnt Swamp youth Sheryl Jones was the North Carolina state representative for youth Bible drill at Ridgecrest last summer and Jessica Clark was the youth speaker's representative that same week. We are very proud to have these two girls prove themselves in such distinguished manner for Christ. The Bible drill program is changing this next year and leaders need to become acquainted with the changes.

Our "M" Night was held November 23, 1992 at New Point Church. We used the program to introduce the 1993 Doctrine study material and also preview 1993 Bible drill. Our preacher for the evening was Pastor Gary Chavis from Elrod.

The growth of Discipleship Training in the Association has been disappointing the last 2 years. In 1990, we enrolled 2,257 persons. In 1991, we had 2,826. In 1992, there were 2,811 enrolled and 1993 saw us enroll 2,775. There was good growth from 1990 to 1991, but we have barely maintained since then. Be encouraged to make training a part of your church program.

Arnold Oxendine, Discipleship Training Director

EVANGELISM REPORT 1992-93

Our winter evangelism conference continues to be a strong and vital association revival, thanks to the support of all our churches. The theme "Share Jesus Now" was adopted from the State and Southern Baptist Convention Home Mission Board. The goal of our conference this year was to challenge every Christian to "Share Jesus Now" both individually and collectively. Below is listed a summary of that conference.

For the incoming year we will be asking the Burnt Swamp Baptist Association to be involved in evangelistic efforts other than our Winter conference.

In an effort to remove some of the spiritual barriers that hinder our county from experiencing true revival, we are participating in an interdenominational, interracial crusade effort here in the Robeson County. We have made plans for a fall evangelism conference on Nov. 4 - 6, 1993 that will involve the various denominations and races of our area.

We are also asking our Association to make a commitment to the "Here's Hope: Share Jesus Now" revival effort for 1994 and 1995. Experience growth, *EVANGELIZE!*

You choose the day and hour commit to pray one hour, one day a week. Prayer requests will be sent each month to persons who sign up. We need to pray for one another.

THE CREDENTIALS COMMITTEE REPORT

The Credentials Committee is composed of key officers of our Association. Our assignment is to assist churches with their status in the Association. We had opportunity to counsel with two of our churches this year. Both of these invited the committee to participate in their church business meeting and made us welcome to be there. Decisions were made by the churches that were orderly and according to our practice in the Association. We advised one church against the practice of foot washing

as an ordinance and encouraged the Pastor to teach his people our view of ordinances as found in the New Testament.

We have received two petitions in the last month from new churches who are applying for membership in the Association. We have instructed those churches about the process of admission into our Association family and they have responded well. One church is the Sandy Ridge Community Church near Maxton, NC. The Pastor is Rev. Don Bullard. This church is presently unaffiliated with any denomination or conference. Rev. Bullard has been serving there for one year under the advisement of our Association to assist them in establishing their church as a Baptist church. Rev. Bullard has proved a good leader for this church and they have made progress toward understanding the Association.

The second church is the God's Holy Comforter Church near Rennert, NC. The Pastor is Rev. Ted Brooks who is also the founder of the church. Rev. Brooks and the congregation are currently unaffiliated with a denomination or conference. Rev. Brooks is enjoying a growing fellowship at this church. The people are committed to pursuing a relationship with our Association. The Credentials Committee has no recommendation at this time on either of these petitions. Our work is just beginning with the actual meeting of these congregations and discussing Association life with them. We will present a report at an Executive Board in the future.

Rev. Larry Locklear, Credentials Committee Chairman

THE MISSIONS COMMITTEE REPORT

The Missions Committee shared its responsibility with the Missions Development Council of our Association this year. That Council is composed of some of the Association program directors who can actually see missions' needs more clearly than many of us since they are more directly involved with the Association's work. The Association's program of work is led by our Director of Missions and the Association Council. The Association Council is a crucial component in our Association ministry to work with the Director of Missions and supervise him. Therefore we are grateful that the Missions Committee's assignment is being executed by both the Council and us. The Missions Development Council has their own report to make in another section of this book.

The Missions Committee visited Hollister, N.C. in response to a need for a new Sunday School in the Haliwa-Saponi community. We visited the community on three occasions and met with the Saponi Sunday School. Rev. Linwood Richardson is the leader of this new Sunday School. The new work has prospered since it was established in February, 1993. Our Committee discussed principles of church organization with the new work and advised them on being chartered. We also invited Mt. Bethel to participate in our visit with the Saponi Sunday School and they were represented. We recommend that our churches remember this new work in prayer as it continues in its development.

Rev. Shelley Dial reports to us that the Lighthouse Mission Church is doing fine. Rev. Dial is well respected as their Pastor. A growing group of adult leadership is forming to assist with the work of the mission church. They are meeting regularly as any mission church for worship, fellowship and Bible study. Business meetings are conducted on a regular basis in harmonious accord to determine direction for their work. They are awaiting a decision from the N.C. Methodist Conference on the sale of the property they are using. That word is being determined at a mid-October meeting of the Methodist officials. Rev. Dial reports monthly to the Association on his work and is in constant touch with the Director of Missions. We are very pleased with his leadership of this work. We fully support the Budget recommendation of extending pastoral assistance in the amount of \$200 monthly for this 1993-1994 church year.

In addition, the Missions Committee encourages our churches to get more involved with this mission church if you do not know much about it. We have discussed with the Pastor the plans for a Union Meeting and revival next Spring at the mission. We anticipate assisting the mission with the purchase of their property with church love offerings, assuming the purchase can be made.

Finally, the Missions Committee recognizes the important church growth assistance the following churches are receiving from the State Convention: Cherokee Chapel, Cedar Grove, Lighthouse, Sandy Ridge and Faith of Cavalry. New requests for these churches mentioned above, Rock of Ages and Leitch Creek have been submitted for 1994. Final approval will not be given until the State Convention in November.

Rev. Kent Chavis Missions Committee Chairman

YOUTH MINISTRY REPORT

The Association attempts to provide some assistance in the area of youth and children's ministry in the churches. Every church who has youth should have a youth ministry. If you have a Sunday School class for youth, you have youth ministry. Some churches have much more to offer their young people through the commitment of adult leaders who will determine to do it. The Association's youth ministry is found in the many programs already being conducted in churches, such as: Youth Bible Drill, Speakers' Tournament and Baptist Youth in the Discipleship Training program; Sunday School Youth; Acteens and RA's in WMU and Brotherhood; and Youth choirs in the Music Program. Youth ministry is all of this in your church. In addition to assisting in the above areas, Associational Youth Ministry has focused on several additional areas relevant to youth life.

The Camp Dixie Retreats

Two retreats were held again this year, led by Billy and Connie Hammonds. One retreat in the Spring was for youth, ages 12 and up,

while the August retreat was for the children, ages 6-11. Some churches continue to attend these retreats and some provide for the cost of each camper. The Association assists some in the cost of supplies as limited by the budget. The burden of the retreats is managed mainly by the Hammonds' from Antioch Church with other workers who help with the kitchen, program and supervision.

Summer Youth Workers

Each summer for the past two years, the youth ministry department of the state convention and the special ministries department of the state convention have provided us with funds for two summer youth workers. These youth assist us with Youth leader training, backyard Bible clubs, Church and Community Ministry projects, individual church youth ministry support and special youth events for the Association. This year, the youth were invited to spend New Year's Eve at the BSU House till midnight. Denise Jacobs planned and led that evening of games and worship. She also worked with us during the school year in planning and conducting youth ministry in our Association. This summer Denise and Jody Cummings led us in summer youth work from June through August 20. They assisted churches in youth ministry ideas and worked from our office to assist in VBS and Backyard Bible school ministry. They held several Youth Council planning sessions, working toward special events for the Association youth ministry. Our workers attended a workshop for youth leaders on the campus of Wingate College in June. On August 14, they led a one-day "End of Summer Rally" for youth at PSU. More than 200 youth were involved in that event. On August 19, they led a workshop at the ALERT conference for youth council ministry. Our summer workers are required to participate in youth ministry training led by the state convention each year at Meredith College in Raleigh.

Churches can apply for summer youth workers as well as the Association. You need to enter the application process right away for the summer of 1994 if interested.

Association Youth Council

This year, the Nominating Committee has located a Director for our Association Youth ministry. He is Rev. Manny Mintac from Antioch. Bro. Mintac has agreed to serve as our Youth Council Director and help us develop a Youth Council for improved planning and implementation of our youth work.

BAPTIST CAMPUS MINISTRY REPORT

On behalf of Baptist Campus Ministry, its Division Director, Kay Huggins, and the Baptist State Convention of North Carolina, I would like to thank the Burnt Swamp Baptist Association for its support and prayers. The 1992 - 1993 school year was a productive year for campus ministry. The following are some of the highlights:

Campus Minister Intern: We had the pleasure of having "Kanoot" Lynn Midkiff serve as our Campus Minister Intern. The internship program is to provide college graduates and pre-seminary students with the opportunity to learn, minister, and grow as they are searching out Christian ministry vocations.

Student Ministry & Ministry Teams: Over 75 students took part in the BSU ministry in various ways. Our average BSU fellowship meeting involved 28 students. Over 40 students participated in spiritually oriented retreats. Seven student teams served area and regional churches through leading worship, retreats, and youth meetings.

Missions: The BSU raised over \$6,000 for their student Ministry and Missions Fund. This money was used to support Summer Missions, retreats/conferences, local missions, and BSU Mission trips. Twelve students traveled to Ithaca, New York in March to work with Ithaca Baptist Church and the BSU at Cornell University.

Commuter Lunch Ministry: This ministry continues to be a significant ministry here at PSU. We have served over 250 different students. The ministry provides an important contact point for ministry with students. It brings the churches and Campus Ministry close together, and it assists with raising funds for BSU Missions and Ministries. Thanks go to Janet Chavis, Union Baptist, Smyrna Baptist, Mt. Elim Baptist, Mt. Olive Baptist, Bear Swamp Baptist, Reedy Branch Baptist, Galilee, and a host of individuals who made this a successful ministry.

Baptist Campus Ministry at Pembroke State University was born from within the Burnt Swamp Association. I count it an honor to work along-side you in ministry here. Thanks go to the Brotherhood under the leadership of Windell Hunt for the assistance in staining the BSU Center and other jobs. It was a pleasure to be with you during your World Missions Conference in May. Keep us in your prayers and thank you for your support as we seek to share Christ with students on this campus and learn together what it means to be His followers. Encourage your students to get involved in BSU.

Ron Sanders, Baptist Campus Minister

MODERATOR'S REPORT 1992-93

The Burnt Swamp Baptist Association is alive and growing. We have a vision! Now more than ever, we are burdened and want to reach out to our Native and American Indian people. We feel God has blessed us, so we can bless and help others who are less fortunate. Our churches raised over 3,500 dollars to help Evangelist Ernest Best purchase a truck. We

want to continue to meet and accept the responsibility to do more on the mission field. We appreciate the Association Council for helping to write a new mission statement which will help us define and understand our purpose as an Association a little better.

We thank our WMU for their work with the World Missions Conference. Also, some of our men and women were involved in leading and conducting Backyard Bible clubs in New York. It seems our Brotherhood has developed a new zeal and is doing excellent things right here in our own communities. Our Sunday School ASSISTeam continues to provide training for our churches and good things are happening in our Regions. Let's continue the good work and may we look to the Lord from whom cometh our help to fulfill His will for Burnt Swamp Association.

Rev. James M. Locklear Association Moderator

Reports were given at this time by our committees. The Constitution Committee recommendation was brought by Bro. Roscoe Jacobs. Bro.

Roscoe said that we needed to get more of our young people involved in our Associational work. He also suggested that our Annual Meeting could be held on a Thursday evening around 6:00 p.m. and return on the following Friday to stay all day. A motion was made and seconded that Article XV of the proposed Constitution be given back to the Constitution Committee for necessary changes. A motion was made and seconded that we accept the proposed Constitutional report except Article XV until changed.

Chester Chavis would be filling a new position on the ASSISTeam. A motion was seconded and approved that this report be received.

The Director of Missions report, given by Rev. Mike, informed us about the Summer Missions Team planning a trip to Honduras. Bro. Mike said that hopefully this mission trip will consist of some of our people in the association and is planned for October of 1993. He also said that four of our churches, West End, Leitch Creek, Mt. Moriah, and Mt. Airy are looking for pastors. Bro. Mike commented that he had heard a lot of good feedback on our last Pastor and Deacon seminar. He stated that another one was scheduled for February 4, 6:30 p.m. at Linda's Restaurant. The topic of the meeting will be "Politics In The Church" and led by Tom Womble from the Baptist State Convention.

Mike Cummings, the Director of Missions, to elaborate on this change. Bro. Mike stated that Article XV stated information concerning the Associational Council and that the Director of Missions should be chairman of that Council. In the absence of the Director of Missions, the Association Moderator would preside over the Council Meeting. Also, if there is a matter that needs to be addressed concerning the Director of Missions, the Associational Council would have the opportunity to do so without the Director of Missions being invited. The Executive Board accepted these provisions as proposed changes in the Constitution.

The Moderator stated that the paving of the parking lot would cost approximately \$8,000. He also stated that a sign in front of the Baptist Building would be a nice thing to consider.

New Business

The WMU report given by Sis. Mary B. Hunt, focused mainly on the World Missions Conference. She stated that the combined efforts of Associational leaders had been very successful. Bro. Manford Locklear informed us that the balance of the funeral expenses of Rev. Vester Oxendine was \$800.00. He suggested that the Executive Board representatives return to their home churches and respond to this need. If churches respond with an excess of \$800.00, then it would be given to Rev. Vester Oxendine's widow. Bro. Mike Cummings stated that Rev. Wade Locklear's family would also be deserving any monies that would be sent to them. Rev. Wade has cancer.

Bro. Mike introduced Bro. Manny Mintac who would be the featured guest speaker at the Preachers and Deacons meeting on Monday night.

Old Business

The Moderator stated that the committee responsible for having the portrait of Bro. Billy Lowry made should be prepared to present some-

thing at our Annual Meeting. The Moderator also stated that the sign that is to be prepared for the front of our Association office is still under consideration.

New Business

The Moderator commented that some of the things discussed here in our meeting tonight were also of interest at the Association Council Retreat at Camp Caraway.

The Association Council Retreat report was given by our Director of Missions, Rev. Mike Cummings. He stated that the Association Council suggested a mission statement that would help us understand and define our purpose as an association. Bro. Mike said that we already have a mission statement in our constitution, but the Association Council felt that we needed to be a little more precise. The statement that the Council suggested was "The Burnt Swamp Baptist Association shall provide support, leadership, and opportunity to enable churches to be in fellowship and on mission fulfilling God's plan and purpose for their existence individually, together and with the State and Southern Baptist Convention." Bro. Mike also said that the Council identified four major objectives for our work together. These were: (1) Promote missions (2) Develop leadership (3) Nurture fellowship among the churches and (4) Strengthen program organizations. A motion was made and seconded that the mission statement and four objectives be presented at our Annual Meeting.

The WMU report was given by Sis. Mary B. Hunt. She thanked everyone who assisted in the WMU Mission Vision 95. She stated that the WMU has conducted four Big A Clubs. The New York Partnership work at Prayer of Hope Church and Red House in Salamanca, N.Y., this summer was successful. She reported that Island Grove is to be commended for summer work in Washington, D.C., as well as, Cherokee, N.C. and asked that we extend our prayers to Berea for their upcoming work in Tennessee, August 6-14. She stated that The Burnt Swamp Association is being called upon more and more for leadership, financial support and guidance. The WMU recommended to this Executive Board that a budget line item be given to promote support for these missions efforts. A motion was made and seconded that this report be received.

Rev. Gary Chavis commented on the Baptist Building as our resource center where we could come and get resources to help in church work. Rev. Chavis recommended that a committee of Associational Trustees, Brotherhood Director, and our Director of Missions be formed to study our Associational building in its present physical structure, size, resource equipment, phone system, computer equipment, etc. He suggested that a report be brought back to the Executive Board of the things that need to be done to update and equip our Associational office to better meet the needs of our people. A motion was made and seconded that this report be received.

A challenge concerning our Association Budget was given by Rev. James M. Locklear. He challenged the Executive Board to recommend to

the Association that Rev. Ernest Best be listed as a line item in our budget to help with his evangelistic work among Native Americans. There was some discussion with our Council about supporting Rev. Ernest Best as a missionary with a designated gift through the Home Mission Board. Rev. Tony Brewington asked if Rev. Best was recognized by the Home Mission. Rev. James M. Locklear stated that he was not recognized by the Home Mission Board but that Russell Begaye would be called about this to see if some consideration could be made. Rev. Tony Brewington made a motion that the Moderator or Director of Missions choose a committee to study this proposal and design a plan that would help raise money for this purpose. The motion was seconded and approved.

The Treasurer's report was given and accepted as read.

The Director of Missions gave some announcements and stated that the letter he had sent to the church pastors concerning Bro. Earnest Best and his need for monies to buy a new truck was not an association project or approved by the Executive Board but if any of the church families wanted to give monies to help Rev. Best, they could send it to the Baptist Building.

A motion to adjourn was seconded and approved. The closing prayer was led by Rev. Manford Locklear.

Moderator: Rev. James M. Locklear Clerk: Bro. Billy C. Hammonds

Burnt Swamp Baptist Association Executive Board Meeting September 24, 1993

The roll call was given with twenty-one churches, eight pastors and four committee chairmen present. A motion to set aside a quorum was seconded and approved. A motion was made and seconded that the minutes be accepted as read.

Old Business

Rev. Sanford Locklear gave a Historical Committee report. They recommended that the Executive Board reaffirm the purpose of the Indian Religion Museum to include the history and records of the outstanding achievements of Burnt Swamp Churches and individual when such achievements are religious in nature and related to the spiritual life of our churches or Association. Such information, artifacts or other materi-

als to be placed in our museum should be submitted by the church which can verify such material. The committee also recommended that the Association establish a Historical Committee to present a plan to the Association for writing our Association's history and encouraging each local church to do the same. In materials relating to the museum, the Association's Historical Committee will review submitted material and recommend it's acceptance to the Executive Board for display in our museum. Rev. Sanford suggested that the Moderator be responsible for selecting this committee. A motion was made and seconded to accept this report as read.

The Treasurer's report was given by Rev. Bruce Swett. A motion to receive this report was seconded and approved. The WMU report was given by Sis. Mary B. Hunt. Mrs. Hunt stated that God has blessed the WMU group to have dedicated and committed leadership from churches who have supported them. She also said that the WMU was recognized this year for key leadership with the largest increase and enrollment percentage. A motion to receive this report was seconded and approved.

The Sunday School report was given by Sis. Dorothy Cummings. She stated that the goals for 1994 are to encourage churches and promote an Outreach program. She also stated that the Sunday School Team would provide individual assistance to any church that called upon them. A motion to receive this report was seconded and approved.

The Nominating Committee report was given by Rev. Mike Cummings. A motion to receive this report was seconded and approved. The Committee on Committee report was given. A motion to receive this report was

seconded and approved.

The Program Committee report was given by Rev. Sterling Chavis. He stated that the 116th Annual Meeting will be held on October 14 at Smyrna Baptist. Our theme for 1993 is "Hope for Hurting Humanity." Rev. Gary Chavis will give the theme interpretation and the message will be brought by Rev. Horace Strickland. On Friday, October 15th, our meeting will be held at Baker's Chapel with Rev. Terry Cummings bringing the message. A motion to receive this report was seconded and approved. The Finance Committee report was given by Bro. Billy Brayboy. A motion to receive this report was seconded and approved.

The Missions Development Challenge Budget was given by the Moderator James M. Locklear. The Moderator advised that this challenge budget was the result of our last Executive Board Meeting in reference to a motion that was made to bring back a proposal or study for our budget to do mission work such as helping Rev. Earnest Best and to upgrade our Baptist Building. The Moderator anticipated a total challenge budget cost of \$12,000 for each year through 1996. The report included suggestions as to ways to raise this budget. No action was taken on the challenge budget idea except that messengers were asked to inform their churches of this matter. A full report will be given at the annual meeting. The report was received with an encouragement to pursue this challenge for our churches.

In response to the Secretary's absence from the office with her child, the Moderator reminded the messengers that the Secretary's sick leave policy was established in 1986. There is a copy of that policy on file in the Association office. He also reminded us that we had agreed to place our staff under the same provisions used by PSU.

A motion was approved for our adjournment.

Moderator: Rev. James M. Locklear Clerk: Billy C. Hammonds

GENERAL BOARD REPORT

I have enjoyed serving for the past four years on our General Board as the representative of Burnt Swamp Association. The sessions have been rewarding and enlightening as to our involvement in ministry, home and foreign.

We held our last General Board meeting at the Baptist Building in Cary. This gave many members the opportunity to see first hand the work that takes place at the administrative level. We should be proud and grateful for our facilities and the knowledgeable staff working with us through our Convention office.

Let us continue to pray and support the work of the General Board and the wonderful work of the N.C. Baptist State Convention.

> Rev. Steve Jones, General Board Member

DIRECTOR OF MISSIONS REPORT

We are growing in our understanding of Association missions. I am being challenged each day to know our ministry, interpret it and involve people in implementing it. The shared ministry of 57 churches is huge. The Burnt Swamp Association is a place where God wants to involve His people in His mission. I thank you for responding to His call upon us to join Him in what He is doing in the world.

Association Council

Our work is planned, coordinated and conducted through the team approach. You have selected gifted officers and program directors to serve us in the Association. They are capable and committed people. My joy is to work closely with all of these. In our planning meetings, we give close attention to the month to month schools, events and meetings we have throughout the Association. This year we took the Council in retreat during July to study our Association work more closely. This retreat will become an annual time of planning and discussing our Association program. The Council retreat has proved to be one of the more helpful experiences for us in our work as Association leaders. We learned that Association ministry is impossible without a team who will commit to planning. Some of the results from that planning time are reflected in

the Constitution changes and also in the report from our Missions Development Council.

We are attempting to plan our Association program by making use of our mission statement, objectives, goals and action plans. Program directors are being encouraged to learn this process with us. This is not a simple method but it is a wise one. Pray that we may improve in this area.

Missions Development Council

One objective of the Association is to engage churches in missions ministries together. The best way to coordinate and plan strategy for our mission events is through our Missions Development Council. This Council consists of a Director, the WMU Director, Brotherhood Director, a Promotion Director, a Survey Director, and other component programs that relate to missions projects. Listed below is a suggested set of projects for our next year's consideration although we may not be limited to only these.

- 1. Provide for 3 people on Summer/Fall 1994 mission trips with HMB team to Mexico and Panama \$2,000
- Provide for 8 people for 1 week of Backyard Bible School work in New York, summer 1994 — \$800
- 3. Provide for 1 year of support for Evangelist Best at \$300 per month

 \$3,600
 - a. Money will be used to reimburse him for travel expense in his evangelistic ministry among our American Indian people.
 - b. We will request him to be an encourager to the Southern Baptist work in any of the areas he travels in to preach, regardless for whom he may be preaching in that area.
 - c. We will reimburse him as he reports mileage and meetings to us each month, not to exceed \$300 each month.
- 4. Accumulate funds for a construction project in 1996 or 1997 in a Native American community, identified with HMB consultation, in which we could build a church-type structure for a new church or Sunday School — \$5,000 each year.
- Reserve \$500 each year for the World Missions Conference to be held in 1998.
- 6. Each church give a one time "love offering" to Lighthouse Mission at a Spring or early Summer Union meeting held at the mission.

Suggested ways to raise our funds for this challenge special missions budget include:

Choose 1 of these 3 options as suggestions to give toward this challenge:

- a. Church can budget at least 1/2% of its receipts for Association Special Missions Budget above its regular support for the Association.
- b. Church can give a "\$.25 for Missions" Offering each month for Association Special Missions Budget.
- c. Church can receive a "love offering" during the May Association

Missions Week each year through 1996 for this special missions budget.

We anticipate a total challenge budget cost of \$12,000 for each year through 1996, which does not include the one time love offering for the mission at Lighthouse to help them secure their property.

Office Needs

We identified the need to make our office a better equipped resource center for the churches and the Association. The needs are several. We want to make progress toward accommodating the needs below through financing that will not require new giving from the churches. General Funds receipts which exceed our Association Budget will be placed in the Savings Account. We try to maintain a reserve of about \$5,000. Any Savings Account funds in excess of \$5,000 may be used to finance Building and Office Needs given below and as determined by the Executive Board.

- Draperies
- Carpet
- Exterior Doors
- · Book Shelves
- Video-tape Library
- Library Resources
- Office Equipment

Computer upgrade Camera

Fax/Modem System Camcorder Equipment

The office needs list may be prioritized according to availability of funds and upon approval of the Executive Board.

DEDICATION OF MINUTES

REV. WELTON LOWRY

On September 26, 1912, Mrs. Flora Locklear Lowry and Mr. Billy W. Lowry became the proud parents of their first born, Welton Lowry. Mr. Lowry served as Moderator of the Burnt Swamp Association, for Associational years 1975-1976, and 1977-1978. The Burnt Swamp Association consisted then of forty-nine Indian churches of eastern North Carolina. Mr. Lowry has served on various committees within the Association. He served on the building committee that helped plan the Associational Building and the new Indian Cottage on the Odum Home campus. It is recorded in the North Carolina Baptist Convention Minutes that Mr. Lowry made the motion for the Odum Home, located in Pembroke, to become a part of the North Carolina Baptist Orphanage Homes, but remain at the present location. This was accepted and was the beginning of the present facilities of the Odum Home. He served as Associational Superintendent of Vacation Bible School for several years, Training Union Director for the Association, and President of the Preachers and

Deacons Meeting for several years. Over the years of his pastoral ministry, Mr. Welton became a popular teacher of the Bible among the churches. He was widely used as a study course teacher for many years. Some of his happiest experiences were during the times that he and Miss Anna Mae and other Associational leaders worked among many of our churches to provide Vacation Bible School ministries and camps for our members. He retired last year from active pastoral ministry of the West End Baptist Church, of which he was the founding minister and served many years.

Not only is Mr. Lowry active on a local level in the Baptist churches, but, also on a state level. He has served on the North Carolina Baptist General Board, and as a committee member of the North Carolina Christian Board of Higher Education.

As a member of the North Carolina Christian Board of Higher Education, he acted when it was presented to approve the Baptist Student Union Building being built on the campus of Pembroke State University. It was later presented to the General Board on which he was a member and responded in favor of the project and asked the Board for its approval.

Along with teaching and ministering, Mr. Lowry has been strongly involved as a member of the Lions' Club, the Chamber of Commerce, Committee Member of the Boy Scouts, the Robeson County Association of Retired Educators, the North Carolina Association of Retired Educators, the National Association of Educators, the Pembroke State University Alumni Association, and the Robeson County Democratic Party. In 1975, he was voted, "Lion of the Year" by the club's members. He has served as President of the Lions' Club, the Pembroke Chamber of Commerce, President of the Pembroke State University Alumni Association, and chairman of his local voting precinct. As a civic leader, Mr. Lowry served as one of the beginners of the Indian Child Welfare Association and President. In 1973, Mr. Lowry was listed in the 1973 edition of Who's Who in North Carolina.

These are just a few of the contributions he has made himself available to give to his people. As a young man, with many roads before him, Mr. Lowry chose to remain in Pembroke and be a builder of his people. He saw a need and an opportunity to be of service. With strong determination, he launched out and has proven himself to be of service whenever needed.

The Burnt Swamp Association is pleased to recognize the contributions Rev. Lowry has made both to the church and community. We honor him for outstanding service to Christ's church.

MR. BOWEN

Rev. Albert Bowen was a friend to God's people, especially to Oak Grove Baptist Church. His joy was to be in fellowship with other Christians. We remember him for his humility. His life was marked by severe afflictions which limited him from being able to be in church as often as he would have liked. He spent his adult life in service to the Lord. He is one minister that we remember as God's humble servant. Rev. Bowen was a member of Oak Grove Baptist Church.

GUIDELINES FOR CHURCH PROCEDURES

- Ministers coming from another denomination must pass satisfactorily an examination along Baptist doctrinal lines before being recommended to a church for ordination as stated in Article XI of the Constitution.
- Licensed or ordained ministers jeopardize their denominational affiliation and church recognition when called to pastor a church outside the denomination. Because such action is considered disorderly practice, it is recommended that his license or ordination be revoked unless this pastorate is a ministry outreach of a SBC church.
- 3. Due to the severe nature and disharmony of divorce with New Testament teaching, it is recommended that each associational church develop its own policy concerning the use of its facilities to unite in marriage persons in a divorced state.
- 4. It is considered extremely unethical and disrespectful for any minister to enter the pulpit of a church without the foreknowledge of the pastor to that church. It is also considered poor practice for any congregation to deny the pastor responsible control of the pulpit.

POLICY FOR ASSOCIATIONAL VAN OWNERSHIP

This vehicle shall be registered to the Burnt Swamp Baptist Association.

PURPOSE

The purpose of the van is to enhance the associational programs by providing transportation for associational staff, officers, committees, departments or other bodies acting in behalf of or for the best interest of the associational program. Upon availability, local churches may use the van for church sponsored activities.

- 3. This vehicle shall be used only for associational, state, and convention program activities by committees or groups representing the Burnt Swamp Association.
- 4. Individual churches may also schedule the van for church sponsored and approved activities.

THE BAPTIST FAITH AND MESSAGE

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. It reveals the principles by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His

personal obedience, and in His death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore every man possesses dignity and is worthy of respect and Christian love.

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Savior, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerated person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is a glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Savior, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. LAST THINGS

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

XII. EDUCATION

The cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the Spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

PROCEEDINGS OF THE ANNUAL MEETING

BURNT SWAMP BAPTIST ASSOCIATION 117TH ANNUAL MEETING

Island Grove Baptist Church October 13, 1994

The opening song was "Send the Light", led by Mrs. Vanice Cummings. Rev. Larry Locklear gave the morning devotion by reading 2 John 8. Prayer was offered by Rev. Laymon Locklear. Moderator James M. Locklear called the 117th Annual Meeting of the Burnt Swamp Association to order. Roll call was made and 51 churches were present. The Clerk moved to approve the minutes of the 1993 Annual Meeting, stating that those minutes had been printed and dispersed to the churches. The motion passed.

The Credentials Committee recommendation was given by Rev. Larry Locklear. He reported that West Saddletree Church, Salem Church and Liberty Mission be recommended for membership under watch-care for one year. Since Lighthouse Mission had been under watch-care for the required period, his report recommended Lighthouse be received with full membership privilege as a mission of our Association. Rev. Larry Locklear moved the adoption of the Credentials Committee report. The motion was approved. The Moderator called for the messengers from West Saddletree, Salem, Lighthouse and Liberty to come forward. He extended the right hand of fellowship for watch-care to West Saddletree, Salem and Liberty and, then, the right hand of fellowship for full membership to Lighthouse.

Rev. Sterling Chavis moved the adoption of the program for the 117th Annual Meeting with the theme "Here's Hope: Share Jesus Now". He offered the following changes in the agenda: Rev. Steve Jones and Rev. Tony Hunt would exchange preaching time slots as recorded in the program and Rev. Larry Locklear and Rev. Steve Jones would exchange time slots for moderating the session assigned to them in the program. The motion to approve the program with these changes passed.

Rev. Larry Locklear gave the theme interpretation, "Here's Hope: Share Jesus Now". He explained that "Here's Hope: Share Jesus Now" is a SBC effort to involve every Southern Baptist in one to one witnessing for 60 days in 1995. The target dates are Jan. 9 through March 9 and we will be challenged to witness to a lost person everyday. He showed a brief video entitled "You're the One with the Power." His report was seconded and approved.

The Association Program Directors presented their reports during the time for "Sharing Jesus through Church Programs". Sis. Patricia Hunt gave the Sunday School report. She emphasized that "Breakthrough" continues to be the theme as we celebrate new professions of faith and additions in our church. She referred to the Sunday School report which was printed in the messengers' Book of Reports. The Discipleship Training report was made by Mr. Severeo Kerns, the new Discipleship Training Supporter. Mr. Kerns referred to his new title as "Supporter" and not "Director." He explained that as a Supporter, he will recognize that a church must determine its own areas for study and improvement. He will seek to support the church's program in any way possible. He pointed out that discipleship is a Christian's life long obedience to Christ which transforms our values and behavior. The result is ministry in our home and at work. Rev. Windell Hunt gave the Baptist Men's report and referred to his report in the Book of Reports. He commented briefly about the growth and involvement of the men in missions. Mrs. Patricia Bullard reported for the WMU and also Church and Community Ministry. After referring to those reports in the Book of Reports, she elaborated on some of the leadership activities for the past year and goals for the new year. She reported that the Christian social ministry is growing into very important outreach of our churches, meeting needs daily. She thanked the Association for providing a ministry to the hurting and sometimes hopeless people of this area. Rev. Manny Mintac gave the Youth Ministry report and pointed to his printed report. He commended Youth directors for being faithful in this area of work with and for youth.

Rev. Charles Locklear gave a report the Campbell University report and encouraged us to inform our youth about the education opportunity at Campbell. He explained that financial assistance is available and especially for Baptist students who need it. His report was received.

"Sharing Jesus through Worship" was a topic presented by Rev. Wade Locklear. He read John 15:1 and commented on the text. His testimony about his personal struggle with cancer touched all of our lives. He gave us some encouraging words to keep on working for Jesus.

Island Grove choir provided 2 selections for special music. Rev. Tony Hunt, Pastor of South Hoke Church, delivered the Annual sermon. He spoke from 1 Cor. 2:1-4 and Heb. 13:8. Rev. Hunt advised the Moderator that we should receive a love offering for Rev. Wade during the next day's session. His sermon topic was "Nothing New." He said that though we live in a modern society of progress and rapid change, Jesus is the same today, yesterday, and forever. Rev. Hunt brought a wonderful and inspiring message.

The moderator recognized Bro. Glenn Maynor, candidate for Sheriff of Robeson County and a member at Reedy Branch Church. Mr. Maynor addressed the group briefly. Rev. Sanford Locklear adjourned the morning session with prayer and the group was dismissed for lunch.

AFTERNOON SESSION

Vice-Moderator Larry Locklear presided and the group sang "Victory in Jesus." Prayer was led by Rev. Sanford Locklear.

"Sharing Jesus with Students" was a Baptist Student Union report presented by Ms. Bobbie Dial from Elrod Church. She commented on the importance of the BSU and thanked the Association for helping at the BSU House. She asked for our prayers as a college student facing pressure to be accepted in a climate of drugs and alcohol. She asked us to continue our support for the BSU. Her report was received.

Rev. Sanford Locklear gave the Historical Events Update report. The Historical Committee is involved in an effort to honor deceased Pastors by placing their photograph and biography in the historical building. His report was received.

Ms. Carol Paul led us in giving recognition to our deceased members in 1993 - 1994 during the period for "Remembering Our Loved Ones." Some corrections were made and will be placed in the Minutes with the corrections. After a brief moment of prayer, her report was received.

Moderator James M. Locklear gave the annual Moderator's address. He said that we should be part of something alive and growing. He urged us to continue winning people right where we are. Cooperation is what being Baptist is about and the Moderator admonished us to work to-

gether to get the gospel to all people. A motion to receive the Moderator's address was approved.

A motion was made and approved to extend a vote of thanks to Island Grove for extending their hospitality to us at the Annual Meeting. A motion to adjourn followed and the meeting was dismissed by prayer, led by Rev. Tony Brewington.

BURNT SWAMP BAPTIST ASSOCIATION

Mt. Airy Baptist Church Oct. 14, 1994

Moderator James M. Locklear presided and convened the meeting by singing "He Lives", led by Mrs. Vanice Cummings. Rev. Coolidge Cummings offered the opening prayer. Pastor James M. Locklear brought devotional reading from 1 Cor. 3:9. After calling the meeting to order for business, the Clerk read the minutes of the previous meeting. The minutes were approved.

Several reports were made. The Treasurer's report was printed in the Book of Reports and the Director of Missions suggested he would refer to it in his report time later. The Clerk gave the Executive Board report and called attention to the Executive Board minutes recorded in the Book of Reports. The Clerk moved the adoption of the Executive Board report and the motion passed.

Rev. Mike Cummings gave the Director of Missions report. He pointed out that the Treasurer's report was printed and the messengers could read it in their Book of Reports. The Treasurer's report was received. Rev. Cummings elaborated on our helping preachers in their ministry. He spoke about a 10 hour training program designed for that purpose, involving pastors from the Association. He also spoke about the upgrading and renovation at the Baptist Building. Since our building is 20 years old, repairs and renovation are needed. The Baptist Men have agreed to do the work and a one time gift of \$3 per Sunday School member would be sufficient to pay for the materials. In addition, he reported that we could sell our van and replace it with a new one. These upgrades are needed at this time. The report of the Director of Missions was received by motion and approval of the body.

"Sharing Jesus through Cooperative Missions" was given by Mrs. Patricia Bullard. Mrs. Bullard encouraged and challenged the churches to participate more in missions because it is a necessity for our association. A motion to receive her report was approved.

"Sharing Jesus through New Work" was addressed by Rev. Tom Barnes of the Baptist State Convention. He reported that 44 new work starts began in 1993 and 38 had begun so far in 1994. He spoke of sharing Christ and cooperating together as a motto for Baptists. He urged us to keep support going for the Cooperative Program as this is a major way we support new work in this state. His report was received.

Mrs. Laney Hunt from Dogwood Church gave the Time and Place report. Mt. Elim Church and Harpers Ferry Church will host our 1995 Annual Meeting days. Her report was received by motion.

Special Music was provided by Mr. R. D. Locklear of Mt. Airy Church. He rendered these selections while accompanying himself on the organ: "I'd Rather Have Jesus," "I Know Who Holds Tomorrow," and "Win the Lost at Any Cost." Rev. Steve Jones delivered the annual sermon, using the texts from Acts 1:1,8 and Acts 2:2. He emphasized that Jesus began a work that He wants us to finish. He brought a very inspiring message.

An offering was received for Rev. Wade Locklear. Bro. Roscoe Jones sang "The Old Account Was Settled Long Ago" as we received the offering. The offering was \$454.55. Bro. James B. Locklear asked each church to raise an offering for the Veterans Memorial Fund. He advised us that a memorial had been built in Lumberton between the Taco Bell and the Lumberton Rescue Unit. The project cost \$60,000 and he urged churches to send contributions to the Veterans Memorial Fund, P.O. Box 1493 in Lumberton, NC. Rev. Wade Locklear and Sheriff candidate Glenn Maynor were invited to come forward as Rev. Charles Maynor led us in prayer for them and gave thanks for the meal. The morning session adjourned for lunch.

FRIDAY AFTERNOON

Moderator James M. Locklear presided. Bro. Purnell Swett, Superintendent of Robeson County Public Schools, addressed the group. He expressed appreciation for the support and involvement of parents with their children. The Moderator then opened the floor for business. Several committee reports were presented.

The Enrollment Committee report was made by Mrs. Quae Cummings. She stated that 268 messenger cards were mailed to the churches, 190 were returned to the registration desk. 11 visitors and 35 ministers also registered to give us a total registered attendance of 236 for our 1994 Annual Meeting. This report was received.

The Committee on Committees report was printed in the Book of Reports. Moderator James M. Locklear called attention to it and gave their report. The report was approved by motion.

The Constitution Committee report was given by Rev. Mike Cummings. He stated that the constitution changes made last year will be in effect at the conclusion of this meeting and will appear in our 1994 Associational Minute in the Association Constitution. The report was received.

The Finance Committee report was given by Bro. John Deese, Treasurer. He pointed to the Book of Reports, p. 20. He stated that the \$3 per Sunday School member is an additional item to the proposed budget for 1994-1995. His report was approved.

Rev. Larry Locklear elaborated on the associational van. He pressed the messengers to make a decision about replacing the van. He explained that we had an offer of \$5100 to buy our old van. Rev. Charles Maynor

moved to sell the van and, if we needed another van, then we could get one. His motion was approved. A motion followed to offer all the churches opportunity to bid on the van, then after 30 days sell the van. The motion was approved.

The Mission Committee report was given by Rev. Kent Chavis. He pointed to p. 8 in the Book of Reports. He commented on 1993 - 1994 as a year of growth for new work in the Association. His report was received.

The Ordination Committee report was given by the Moderator. He

referred to the report on p. 3. The report was received.

The Nominating Committee report was given by Rev. Donald Bullard. His report appeared on p. 5 of the Book of Reports. His report was received. The Moderator opened the floor for other nominations for officers for 1994-1995. Their being none, a motion to close nominations and accept the Nominating Committee's recommendations was approved. Moderator James M. Locklear introduced the new Moderator, Rev. Larry Locklear.

Rev. Charles Locklear was granted the floor. He elaborated more on the associational van and urged us to allow the van to be placed in a church for some reasonable price, rather than losing the van altogether to someone outside the association. His concern was to see the van running for the cause of Christ. The Moderator asked the pleasure of the body to release the van only to a church, bearing in mind at the cost already offered by the \$5100 bid. The consensus was to give the churches that privilege.

A motion to offer thanks to Mt. Airy Church for hosting us today was approved. Rev. Sanford Locklear announced that the Historical Committee would hang the portrait of Rev. R. B. Jacobs in the Baptist Building for viewing. The closing prayer was led by Rev. Jerry Thompson.

Clerk: Bro. Billy C. Hammonds Moderator: Rev. James M. Locklear

THE HISTORY OF ISLAND GROVE BAPTIST CHURCH

Becoming dissatisfied with their Methodist affiliation and having a burning desire to do that which the Lord would have them do, a small group of believers withdrew from their fellowship at New Prospect Methodist Church to establish an independent congregation.

The group of forty-one men and women gathered in the old Hickory Bin School, an abandoned black school, to organize new church. At a later date, an adjacent acre of land was given to the believers for their new church by Mr. and Mrs. Briscoe Locklear. Another acre was purchased later from Mr. Billy Britt. The church was named "Island Grove" by Mrs. Lillie Bullard, a charter member.

The church met as an independent congregation for eight months, at which time a council of the Burnt Swamp Association met with them to discuss Baptist beliefs, teachings and requirements for membership in the Baptist Association. The council was composed of Rev. L. W. Jacobs, Rev. C. W. Maynor, and Rev. Sanford Locklear. After prayer, discussion, and inquiry, the congregation voted in May 1955 to apply for membership in the Burnt Swamp Baptist Association, and was admitted.

Rev. Isaiah Locklear, who helped establish the church, continued as part-time pastor until 1961. Afterwards, Rev. James E. Hammonds was chosen to be Island Grove's full-time pastor until he retired in 1967 due to illness. Rev. Hammonds was succeeded by Rev. Coolidge M. Cummings

in that same year. Rev. Cummings served as full-time pastor at Island Grove until 1985. In March of 1986, Rev. Larry Locklear became Island Grove's full-time pastor. Rev. Locklear continues as pastor today.

In their first meetings, the Island Grove believers held services in the old school, then in a tent, and finally in November of 1954, in a newly built church. In 1955, classrooms were added, Later, the women of the church led in the building of a fellowship hall.

In 1971, the church voted to begin an expansion program to accommodate its growing membership. The wood frame building was given a brick veneer. A two story structure was erected on the rear of the existing building with additional classrooms, restrooms, storage space, and fellowship with fully equipped kitchen. Much of the building and renovation was done by church members.

Later, Island Grove acquired an additional four acre tract of land from the McManus family of Red Springs and developed it into the Island Grove Memorial Cemetery.

In the Spring of 1982, an additional acre of property was bought by the church from Mr. Tom Goins for a new parking lot.

In 1991, Island Grove paved their parking lot with black asphalt. In the Fall of 19993, they also began expansion plans to the now existing fellowship hall.

The Lord has blessed Island Grove with impressive growth, not only the growth of the membership and attendance, but also in her community outreach ministries. Island Grove serves as an example of faith and endurance to many other congregations within the Burnt Swamp Baptist Association and to many other churches within the surrounding communities.

THE HISTORY OF MT. AIRY BAPTIST CHURCH

Mt. Airy Baptist Church began in 1911 when Sion H. Wilkins, Shelby Locklear, and Miss Sairelle Locklear organized a Sunday School in the Angus Locklear School House. The one-room building was located about 100 yards west of the present church building. Rev. Phillip Locklear served as pastor during the mission period of the church. Vonnie Lowry served as secretary for the mission point and later as church clerk after organizing in 1915.

Mt. Airy was organized July 25, 1915 with R. D. Locklear, J. D. Locklear, George Locklear, Mrs. Mollie Locklear, James Locklear, R. T. Cummings, and Carolina Cummings becoming charter members. Rev. W. J. Sampson was pastor, Vonnie Lowry, church clerk, R.D. Locklear, Sunday School Superintendent, and the deacons were R. T. Cummings, George Locklear and R.D. Locklear.

The plot of land upon which the first building was erected was deeded to the church by Mrs. Susan F. Locklear, wife of A. D. Locklear, de-

ceased, and to the trustees, James Locklear, J. D. Locklear, George Locklear, R. D. Locklear and R. T. Cummings on August 15, 1915. A building was erected with labor and materials donated. The value of the building at that time was \$2000. The director was W. D. Oxendine. The present facility was begun in 1954 and is valued at approximately \$250,000.

Mt. Airy Baptist Church joined the Burnt Swamp Association November 18, 1915 at Deep Branch Church. The thirty-seventh annual session of the association met at Mt. Airy Church on November 16, 17, 18, and 19, 1916. Fourteen churches were present with Rev. J. J. Bell, moderator and W. D. Oxendine, clerk and treasurer.

In 1917 Rev. L. W. Jacobs became pastor on a salary of \$51.00 per year. He served continuously except for 1918 when he was in the U.S. Army. Rev. W. G. Hunt was supply pastor. Rev. Jacobs served until his death in 1968. The pastorate has continued under the leadership of Rev. Chesley Hammonds, Rev. C. S. Warriax, Rev. Kelly Sanderson, Rev. Michael Cummings, Rev. George L. Locklear, Rev. Freddie Carlton, Rev. C. W. Maynor and presently Rev. James M. Locklear.

Rev. Clarence E. Locklear was the first preacher to be ordained at Mt. Airy Church. He was ordained in December, 1919. He served four years as moderator of the Association and pastored several churches. Other ministers sent out by Mt. Airy include: J. D. Locklear, Chesley Maynor, Barto Locklear, John Andrew Wilkins, Rufus Burns, Sanford Locklear, John L. Locklear, Winford Locklear, Garth Locklear and King Maynor.

In the early 1960's a fellowship hall was constructed providing kitchen, bathroom, and assembly space. Another successful project has been the

purchase of eight acres of land from the Biggs family on road #1570 near the church to be developed for recreation purposes. A large multipurpose building, swimming pool, playground, and ball park have been established. In addition, the cemetery has been expanded and surrounded by an iron fence.

The present membership of Mt. Airy is 511 and the Sunday School enrollment is 540.

Mt. Airy Church is located on highway #72 about four miles north of Pembroke. Its presence and witness have provided spiritual, educational, moral and political leadership to the community, the association and across the state of North Carolina. John L. Carter, a pioneer of the church's growth was in many ways an unequaled asset to Baptist life in his church and the association. It was his wisdom, articulation, motivation and personal influence that produced an Associational Sunday School Program among the best in North Carolina Baptist life. He served as the associational clerk from 1939 to 1979.

Mt. Airy has completed an addition to its education facility providing an additional 7,200 sq. footage. Estimated cost is \$235,000. They also completed an addition to the fellowship hall in 1994 as well as landscape beautification in 1992.

1993-94 VBS REPORT Mrs. Barbara Oxendine, Association VBS Director

1994 has been an exciting year for me as Associational VBS Director. On March 1 the VBS team went to Wallace, NC for leadership training. This was very important because the VBS curriculum changed this year.

At the state clinic we received several certificates: Association VBS Standard, Association with most churches receiving and reporting Standard Certificates and 100% Church Participation in Association having VBS in 1993. This last certificate was one of our goals we have been working for since I have been involved in VBS. Thanks churches, the credit belongs to you. We have no record of this being done before. We made history in 1993.

Again, I would like to thank God and all of you for a wonderful year and for allowing me to serve as your Associational VBS Director. May God bless and reward you.

1993-94 CHURCH & COMMUNITY MINISTRIES REPORT Church & Community Ministry Director, Mrs. Patricia Bullard

This has been a real busy, yet very exciting year. I want to thank God for allowing me to be a part of His ministry as CCM Director and thank the Burnt Swamp Baptist Churches also for working with me and allowing me to work with them.

This year, prayer was one of the programs we have tried to promote. We attempted this:

1. PRAY AROUND THE CLOCK for 30 days. We asked people from different churches to commit to pray one hour one day a week for a month. Their names would be put on a clock located in the Baptist Building so when people came in they would be encouraged to know at that very hour someone was praying for them.

2. Out of this project a prayer chain was formed 54 people make up the prayer chain at this time. God has blessed and answered many prayers.

3. 25 people participated from 9 different churches in the "Church Prayer Ministry Manual Workshop" offered at the Baptist Building and received Study Course Credit. Our purpose: Lead participants to learn and apply the essentials of a Church Prayer Ministry. If you are interested in this manual study, please contact me at the Baptist Building.

4. I want to thank Union Baptist, Antioch, Island Grove, Reedy Branch, Elizabeth Heights, Beulah, Pleasant View, Burnt Swamp, Bear Swamp, and Benson Chapel. These 10 churches sponsored 10 families at Christmas. 30 children and 14 adults had a nicer Christmas because these churches cared. They bought gifts and collected food for each fam-

ily. I realize other churches did similar projects also in their own communities. Thanks for caring.

- 5. BYW organizations again this year helped with the Association food closet by collecting canned foods and baby supplies.
- 6. Several churches did special projects for Hope for Hurting Humanity. Examples include: (A).BYBC'S (B). Mission Trips (C). Health Fair (D). Ministry to a Hispanic family whose son had cancer who has since gone on to be with the Lord.
- 7. Mr. H. B. Bullard has had a bone marrow transplant. He was hospitalized and stayed in that area in Atlanta, Ga. for over 150 days while he was there. \$1116.56 was raised to help out in his financial needs. \$516.00 was raised on a quilt that was made, donated and raffled off. Mr. H. B. received the quilt, too, after Rev. Elias Rogers drew the winning name at the Indian Voice. \$600.56 donated in love offerings came in from 3 churches. Lots of other things happened no space to tell about.

I'm looking forward to ministering in the name of Christ with you in 1994-95. Our social ministry is growing into a very important outreach from our churches. We are receiving requests daily for assistance and follow-up for deserving people. I thank the Burnt Swamp Association for providing a ministry to the hurting and sometimes hopeless people of this area. Let me encourage you to continue all you do to meet human need of any kind in your community.

1994 EVANGELISM REPORT Rev. Larry Locklear, Chairman

The 1993-94 associational year found the evangelism committee trying to guide our association into new and challenging areas of evangelism. At our Annual Meeting last year we made a commitment to take part in the nation wide Southern Baptist Campaign for 1994-95 "Here's Hope: Share Jesus Now". In November 1994, our association also participated (in a limited way) in an Interdenominational, Inter-racial Evangelism Conference in Robeson County.

While we are trying to get our churches more involved in collective evangelism efforts our winter evangelism conference continues to be our primary associational effort. Here is a summary of those meetings.

I hope that each church is already moving toward our commitments to participate in the intensive witnessing campaign and harvest revivals next Spring.

1994 BROTHERHOOD REPORT Rev. Windell Hunt, Brotherhood Director

1994 has been another year in which our Lord has opened many doors for Baptist Men across our state and association to become personally involved in missions. When areas of Georgia was flooded, our NC Baptist Men responded by sending the Disaster Relief van to Georgia. It provided hot meals for thousands of homeless victims. The Baptist Men in our association responded by informing our churches about the need of financial support of the Disaster Relief van. Our association responded to the need.

Not only are our Baptist Men getting involved in studying, but they are doing mission work and teaching the importance of mission work to our young men as well.

During the year we helped to organize one Baptist Men and three R. A. groups. We are excited about the coming year and doing missions that our Lord will set before us. We are eager to assist in the renovation and addition of new space at our Association office. Burnt Swamp Baptist Men have quarterly fellowship rallies and a team of leaders has developed this year to help us plan our work involving the men. We have a schedule of events in the Association calendar. We urge Baptist Men to see themselves as vital to the ministry of their own church and the Association as well. Annual training is on our agenda in November and we hope to have good participation. Don't hesitate to call upon the Association Brotherhood leaders when you need us.

1994 MISSIONS COMMITTEE REPORT Rev. Kent Chavis, Chairman

1993-94 will long be remembered as a year of growth in the Burnt Swamp Baptist Association. Many doors of opportunity were opened for us to provide mission ministry. Our Association has been blessed by the continued work of the Lighthouse Mission which is located in the Aberdeen area, approximately six miles south on US 501. This past year, through the generous gifts of many of our churches, the mission is anticipating the purchase of the existing church building and additional property. We are encouraged by the continued expression of love exhibited by sister churches when new growth opportunities make themselves available to us. The Missions committee encourages Lighthouse to continue the fine work already started.

Another promising mission work is forming in the Wiregrass Road area, near Lumberton. Liberty Mission was began as a mission on Sunday, February 6th, 1994. The initial worship services were held in an abandoned store front on Elizabethtown Road in Lumberton, NC. However, the mission has secured property which will be developed for construction of the church. We are encouraged by the response of the members toward Baptist work and look forward to a long and prosperous work in the area together.

Salem Mission, which is located in the Maxton area near Red Hill, was also started on Sunday, February 6th, 1994. The mission acquired property adjacent to the old Red Springs- Maxton highway and immediately began construction on the fellowship hall. The Association Brotherhood members joined forces one Saturday and help the folk stand the walls of the existing building. Salem's ability to become autonomous has developed at a tremendously rapid pace. Ordinarily, the time required for a mission to obtain or develop the skills necessary to be self supporting is at a minimum two years. Salem however has been blessed to have leaders who were very familiar with Baptist work and the leaders were eager to utilize their talents and skills to further enhance the growth of the mission. Secondly, the members of the mission were committed to the growth and expansion of the mission through the giving of tithes and offerings. This commitment was evidenced by the short time it took to purchase the existing land and construct a fellowship hall.

We have been challenged by the Southern Baptist Convention to start new work whenever the need exists in a community. It is the desire of this committee that the spirit of continued growth be an active part of the Burnt Swamp Baptist Association for many years to come.

1994 SUNDAY SCHOOL REPORT Mrs. Dorothy Cummings, Director

The 1993-94 theme for Sunday School was "Breakthrough . . . Serve to Win."

Breakthrough continues! We celebrate with those who have professed Christ and have been baptized into the fellowship of our churches. We praise God for all that He has done and continues to do.

During the 1993-94 year, we sought to mobilize the people of our Sunday Schools to minister to others in the name of Jesus. Our service to others in His Name became our service for His sake. For as the King declared in Jesus' parable of the sheep and goats, "Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me" (Matt. 25:40 KJV).

Our Associational Sunday School program was recognized as Standard for 1992-93. Mrs. Janice Hunt has joined our team as Youth Director. Even though our attendance was low at our Associational Training School at Zion Hill in July, we were encouraged and uplifted by those in attendance. Our Sunday School Leadership night at Island Grove received high praises from those in attendance.

BAPTIST CAMPUS MINISTRY PEMBROKE STATE UNIVERSITY 1994 Report to the Burnt Swamp Baptist Association FALL 1994

On behalf of Baptist Campus Ministry, its Division Director, Kay Huggins, and the Baptist State Convention of North Carolina I would like to thank the Burnt Swamp Baptist Association for its support and prayers.

The 1993-1994 school year was productive year for ministry. The following are some of the highlights:

- **A.** Byron Greene serve as our **Campus Minister Intern**. The internship program is to provide college graduates and pre-seminary students with the opportunity to learn, minister, and grow as they are searching out Christian ministry vocations.
- B. Student Ministry & Ministry Teams: Over 100 students took part in the BSU ministry in various ways. Our average BSU fellowship meeting involved 32 students. Over 45 students participated in spiritually oriented retreats. Nine student teams served area and regional churches through leading worship, retreats, and youth meetings.
- C. Missions: The BSU raised \$6,320 for their student Ministry and Missions Fund. This money was used to support Summer Missions, retreats/conferences, local missions, and BSU Mission trips. Thirteen students traveled to Washington, DC in March to work with The Johenning Baptist Center. Eight students worked with Southern Baptist Missionaries in Belize in May.
- D. Commuter Lunch Ministry: This ministry continues to be a significant ministry here at PSU. We have served over 238 different students. They are served a hot delicious home-cooked meal and a taste of the Word of Truth. The ministry provides an important contact point for ministry with students, it brings the churches and Campus Ministry close together, and it assists with raising funds for BSU Missions and Ministries. Much thanks goes to Janet Chavis, Cape Fear, Galilee, Harpers Ferry, Island Grove, Mt. Airy, Mt. Elim, Mt. Olive Baptist churches, and a host of individuals which made this a successful ministry.

We are grateful for the use of the Association's van as we have taken students to Ridgecrest and to Washington, DC. Keep us in your prayers and thank you for your support as we seek to share Christ with students on this campus and learn together what it means to be His followers. Encourage your students to get involved in BSU.

Ron Sanders, Baptist Campus Minister

1994 BURNT SWAMP ASSOCIATION YOUTH REPORT

The year has gone by rather quickly and much was accomplished, yet many things were left undone. The old clich_, "time goes by fast when you're having fun", is true. It was a fun and joyful year of serving as Associational Youth Director with a committed youth council and youth leaders who share the vision of seeing spirit-filled churches of tomorrow led by Christ-like youth of today.

The year started with the Associational Youth Watchnight service held at Odom Home, attended by one hundred twenty-five youth and fifteen youth leaders. Eleven churches participated in this event. We were able to develop a youth council earlier in the year who faithfully worked hard in planning and coordinating activities. The Locklear Brothers held an annual Youth Camporama in May at the Strike at The Wind facility. About 300 youth and youth workers enjoyed the night of gospel singing, camping out and a twenty mile bike-a-thon.

I had opportunities to attend Key Leadership and Youth Council Training at Caswell in May. I also went with the Associational Planning Council to Caraway in July. These were all great learning experiences for me.

We had two summer youth workers who worked with us from June till August, Chanda Locklear and Roseanne Strickland. They helped conduct youth leaders workshops, youth council planning, backyard Bible clubs, individual church youth ministries, and summer youth programs. We held an end of summer youth rally in August. Many thanks to Tim and Karen Carter for assisting us with the camp site and program. About forty youth and youth leaders attended the rally.

Camp Dixie retreats are still an active summer youth camp each year. We only have the children's retreat this year, attended by 18 campers from 6-11 years of age. Rhonda and I were assisted by counselors. At the very end of this association year, the Associational GA leaders enjoyed a very successful GA/Parent retreat at Camp Dixie involving over 150 people. We attempted a senior camp at Campbell University in July but there was not enough interest among the churches. We would like to see this camp materialize for next summer. We are constantly hearing reports from the churches about youth events in the churches and this is encouraging. We are grateful that youth ministry is alive and active in so many of the churches.

The Youth Council would like to thank you for your prayers and support as we assist you in introducing your youth to Jesus Christ.

Manny Mintac Youth Ministry Council Director

CREDENTIALS COMMITTEE REPORT

The Executive Board received three timely applications for membership since the 1993 Annual meeting. The Credentials Committee was made aware of these and has established contact with the congregations for purposes of determining the readiness of each for membership as Southern Baptist churches or missions of the Burnt Swamp Association.

West Saddletree Baptist Church applied before the 1993 Annual meeting but not within the 6 months period required by our Constitution, Article VII, Section 3.2. We have met with the congregation and have found them working faithfully to establish themselves in the order of a Baptist church. The pastor is Rev. Ted Brooks and the church was begun under his leadership. Several key lay leaders are in places of ministry and services are being held in the manner in which our churches conduct themselves. We have found them doctrinally sound and willing to cooperate as a sister church in our Association family. We recommend West Saddletree Baptist Church for our required period of watch-care for one year beginning with this 117th Annual Meeting of the Burnt Swamp Association.

Salem Baptist Church began as a mission of the Burnt Swamp Association on February 6, 1994. They constituted as a self-sufficient local church body on October 2, 1994 in a service led by the Association Missions Committee. The pastor s Rev. Donald Bullard and several officers and church leaders are in places of service there. The church government and life is in good New Testament order. The congregation demonstrates a willingness to cooperate fully with sister churches of our Association and have expressed the same to our committee. We recommend Salem Baptist Church for our required period of watch-care for one year beginning with this 117th Annual Meeting of the Burnt Swamp Association.

Liberty Baptist Mission was begun as a mission of the Burnt Swamp Association on February 6, 1994, meeting on Elizabethtown Road in Lumberton. The mission pastor is Rev. Keith Hunt. The mission also has a Sunday School Director, Clerk, Trustees and Treasurer. The Missions Committee has been in constant touch with the mission with the Director of Missions. The congregation is making progress in growing to become a partner in our Association family. We recommend Liberty Baptist Mission be received for watch-care membership as a mission church of the Burnt Swamp Association.

Finally, the Lighthouse Baptist Mission has been under our watch-care for more than 2 years and the Credentials Committee recommends we extend full membership as a mission church to Lighthouse Baptist Mission.

Rev. Larry Locklear, Credentials Committee Chairman

1993-94 MODERATOR'S REPORT Rev. James M. Locklear, Association Moderator

I am grateful to God and the Burnt Swamp Baptist Association for allowing me to serve you as Moderator for the past two years. As I reflect on this past year, God has abundantly blessed our churches. In turn, our churches continue to give to the work of our Association and the convention. Cooperation is what being Baptist is about; putting our prayers and dollars together to get the good news to all people everywhere. Also, we are still burdened for our own Native American people and our churches are still responding to help where the need arises.

We continue to thank God for our Associational staff as they labor and plan for our churches. Our Association Council, led by Bro. Mike, is planning new projects for us, while our leaders and department directors are well trained and ready to assist churches who desire their help. It is my prayer that we continue to trust God and press on to do His will in our Lord's Kingdom work. I believe the best for our Association is still ahead.

Rev. James M. Locklear Association Moderator

PASTORAL MINISTRIES REPORT

As the Pastoral Ministry Director, I attended the Key Leadership Conference in May and received information to help churches in pastoral ministries. Pastoral Ministry covers every aspect of the church work. I also attended the Associational planning retreat in July. Rev. Anthony Locklear assists on our PM team for the Association and together we planned some meaningful activities to help us in this work;

Our priority in Pastoral Ministry is assisting churches in their relationship with the pastor. We need to understand the call of a minister, and help the young licensed minister to prepare for the call to ministry. Our plan is to offer workshops in this area and make use of the Union meetings as well as Preachers and Deacons meetings to get this information to churches and ministers. We will be implementing these in the first month of our new Associational year. We hope to work closely with the ordination council in assisting churches with preparing young minis-

ters for church pastoral leadership. Ministers being called to pastorates need the training we have to offer. We hope churches will work with us and accept our help in preparing their prospective pastors.

We urge our ministers and deacons to attend our Unions, Preachers and Deacons meetings and other seminars that will be offered from time to time in the Association. It will be our goal to provide valuable training and information to you in these areas.

Rev. Don Bullard, Pastoral Ministry Director

BURNT SWAMP BAPTIST ASSOCIATION EXECUTIVE BOARD MEETING December 30, 1993 7:00 pm

Rev. Jimmy Strickland made a motion to appoint Rev. Charles Locklear as acting moderator because of the absence of our Moderator and Vice Moderator. The motion was seconded and approved by the Executive Board.

The opening song was, "Victory in Jesus." Devotion was given by Rev. Charles Locklear taken from Phillipians 2, reading verses 5-11 by responsive reading. Prayer was led by Rev. Shelly Dial. The roll call was given and thirty-three churches were present. There were fourteen ordained ministers and no Committee Chairmen present. Rev. Sanford Locklear made a motion to adopt the roll call and the reading of the minutes and was seconded and approved.

Old Business

There was no old business.

New Business

The Missions Committee report was given by Rev. Kent Chavis. He said that the Missions Committee met at the Baptist Building with Rev. Shelly Dial and discussed concerns about the Lighthouse Mission property. Rev. Shelly Dial stated that the United Methodist Church Conference has shown by letter that they are interested in selling this property. Rev. Shelly asked the association for help in purchasing this property. He stated that they have at the present time \$7,000 toward purchasing this property. The Lighthouse Mission offered \$53,000 for the property but there was some question about whether a better price should be offered. Rev. Manford Locklear moved that we table this matter until further investigation with the local United Methodist people could be had. His motion passed.

Program Reports

Mrs. Dorothy Cummings gave the Sunday School report. She offered the assistance of the Sunday School team to any church who requested it. Her report was received by majority vote.

Mrs. Patricia Hagans gave the WMU report and it was received.

Bro. John Deese gave the treasurer's report and passed out copies to the messengers.

Rev. Charles Locklear moved that we give a Christmas gift to the Association staff. Rev. Jimmy Strickland amended his motion and added that we should give \$150 to Mrs. Quae and Mrs. Pat and \$300 to Bro. Mike. The motion passed. The Moderator suggested that the Budget Committee consider such Christmas gifts as a budget line item.

Bro. Mike gave his Director of Missions report. He explained that Feb. 1 would be a date for simultaneous region meetings throughout the Association to interpret some of our Native American missions projects and goals. A team of Association leaders would be assigned to each region to lead the 5 meetings. He asked us the urge key church leaders to be present at the meetings. He also stated that the Baptist Men would be doing some repair work on the Baptist Building. Bro. Mike spoke concerning the Saponi Sunday School in Hollister, NC. The discussion which followed discouraged us from embracing churches who call pastors who are in a second marriage after having been divorced from a previous spouse. His report was received.

Announcements were given and a motion for adjournment was received.

Acting Moderator, Rev. Charles Locklear Clerk, Bro. Billy Hammonds

BURNT SWAMP BAPTIST ASSOCIATION EXECUTIVE BOARD MEETING April 29, 1994 7:30 p.m.

Manford Locklear and devotion reading was given by Rev. Keith Hunt. The roll call was made and 25 churches and 13 ordained ministers were present.

The minutes were read from the previous meeting and approved. Bro. Laymon Locklear was asked to be the recording clerk in the absence of the Association Clerk.

Old Business

In Old Business, the Credentials Committee reported on their meeting with West Saddletree Church and recommended they be presented at the

Annual Meeting in October for watch-care under the Association. The Committee also reported that Sandy Ridge Church had voted to discontinue any move to affiliate with the Burnt Swamp Association. Their report was received.

New Business

In New Business, Rev. Kent Chavis reported that the Missions Committee had met with 2 new missions, Liberty and Salem. The committee reported that both of these new works were doing very well and had Sunday School attendance of 65 - 70 people on an average each week. The Missions Committee recommended the new missions become under the supervision of the Association and sponsored by the Association. There would be no financial obligations placed upon the Association in their sponsor relationship to the new missions. The motion to sponsor these two new missions was approved.

Bro. Mike Cummings gave the Director of Missions report. A motion to set an Associational goal of \$15,000 as a love offering goal for Lighthouse Mission was approved. The Missions Committee Report was given by Rev. Kent Chavis. Bro. Chavis stated that four new works, Lighthouse Mission, Salem Baptist, Liberty and West Saddletree had been started. Mr. Chavis commented that Salem Baptist had become numerically and financially adequate to perform the ministry needed in the community. He stated that Lighthouse Mission has raised \$5,000 to go toward their new building and that Liberty Mission is doing well and is in the process of purchasing land on Wiregrass Road for their church building. The West Saddletree church he said has had a nice start and is moving along also. A motion to accept this report was seconded and approved.

He informed us that on the 11th & 12th of July the Associational Council had a retreat scheduled at Caraway. The purpose for this retreat of key leaders and program directors is to examine and evaluate the work of our association for the year of 1993-94. DIRECTOR OF MISSIONS REPORT

Our newsletter theme of "Partners in Missions" has been demonstrated throughout this associational year. Several highlights of this year occur to me worthy of mention in my annual report.

Special Missions Budget

Last year, we challenged ourselves to give beyond our general fund commitment to support some ministries primarily with and among our Native American communities. This initiative allowed us to accomplish several meaningful goals:

We were able to raise about \$5800.00 for the Lighthouse Mission property fund as many of you responded to the request to assist them. They are closer than ever to having control of this property and we are grateful to God for His grace among you all for helping make it possible.

We held Native American missions awareness conference with the outstanding commitment of the WMU and others of you during the month of May. We were visited by friends involved directly with ministry among our Native people from the West. We were blessed to learn of the crucial role we have to play in this work. To have had Russell Begaye, Wilbert Robertson and Jimmy Anderson among us for a few days was a rewarding experience all in itself. The group who visited from Oklahoma also helped shape our ambition toward continuing our effort to become more involved in missions to our American Indian people.

Because of your faithful giving, we were able to provide travel assistance to Evangelist Ernest Best at \$300 per month for this entire year. Bro. Best truly has a heart hot for God and reaching our Indian people for Jesus. Several churches have already committed to providing financial assistance again this year. It appears we will have no difficulty in continuing the \$300 monthly from this Special Missions giving your are providing.

Interaction between our Indian churches here and those outside of associational boundaries is growing and that excites me. I am encouraged that more and more our churches want to be directly involved in some meaningful ministry with American Indian communities, especially those of less economic and spiritual foundation than ours here. Let's pray that God will use Burnt Swamp to keep reaching people for Christ, and especially our own Indian people.

New Work

Any association is proud to see new churches and new mission starts within its borders. It has been our joy to see 3 new work points reaching out to us this year for encouragement and nurturing. The growing population in this county is the Indian population. We must start churches and provide places of worship in communities where there is no church. We must support church growth and new starts in places where established churches are not interested in reaching any more people for Christ. New work always breathes new life into an association. I praise God for those new missions that have begun this year in the will of the Lord.

Association Council

It has been my pleasure to work with a very fine team of committed association leaders as we have. I am grateful for their willingness to be trained when state training is offered. I am also thankful of their readiness to share their gifts with you. Our annual planning time in July is a wonderful highlight of the summer for me. 18 leaders of the various aspects of our shared associational life spent 2 days planning and setting agendas for our work this year. That helps me greatly. I rejoice that many are under the burden of the association ministry and they come from your churches. Planning among the churches is becoming a regular part of the work many of you are doing in your places of worship. We

have a team of prepared program leaders to assist with tasks of teaching the Bible, reaching people for Christ, training believers, and involving Christians in meaningful ministry. Any way you describe your church programs eventually leads to one of those tasks.

Things Ahead

We have presented to the Executive Board our plan to renovate and update our association office. This is the 20th anniversary of our Baptist Building. We have an excellent facility and we owe that to the wisdom of that leadership 20 years ago. Our work today is just as important and we must keep abreast of new methods and ministries in reaching out to our community. We have a very helpful Christian social ministry led by Mrs. Bullard that gets more demanding each week. Our aim to be better helpers of young preachers will demand some education resources that we would like to provide in our new media room. We plan to begin this Fall with instruction that is ministry directed and practical for new men in the ministry. We must put a new shine on our place, inside and out, including the landscape. We have already begun with some of these improvements. The University is building their multi-million dollar administration complex directly in front of our office. We want to look good from the street as well. The Baptist Men, under the enthusiastic leadership of our Brotherhood Director, is anxious to get the word from the association to begin work on our building. We want to move some walls and utilize some of our existing space differently. In addition, we want to create some additional space by closing in our carport area for the new library and kitchen. Our office staff consists of 3 people who fill significant roles in our association life. There is good work to be done to keep us going, and we are up to the challenge. In order to accomplish our building improvement, we will be suggesting a contribution from your church to help us finance this work.

I've learned that financing the Lord's work in this association is a matter you are taking very seriously. I appreciate that. Your giving this year reflects a growing commitment to our association's life and ministry. May God help us to serve faithfully in His will. Cooperative Missions from your church continues throughout everything Southern Baptist people do. It's the Baptist way. It's God's way.

Mike Cummings, Director of Missions

DISCIPLESHIP TRAINING REPORT

The strength of our church members will eventually spring from their growing and maturing in Christ. It is the aim of the training ministry of the church to help believers grow into the likeness of Christ. Training involves so much of what the church does. You may not have a Sunday evening hour for this, but that doesn't mean you can not train your

Christians. If you teach study courses, counsel new Christians, involve your youth and children in Bible drill and scripture memorization and many other activities such as this, then you are training believers. We train Christians because we must.

I have been invited to serve as Director of the Associational Training program. We have a new title now. We are being called Discipleship Training Supporters, not directors. The emphasis is upon my being a supporter of the work your are already doing in training believers and assisting you with information about other resources that might help you accomplish this task in your church. I have received state training at Caraway and am prepared to offer my gifts to you in ways that will help you.

I need to recognize some ongoing training in our churches this year. Some of you are making great strides in your study course program. We get a report from the Sunday School Board each year and several of you are doing great work with study courses. Keep it up. In addition, new member orientation and new convert classes seem are widely held throughout this association. Special studies that some conduct with their youth also comes under the area of training Christians. As you well know, this association excels every year in Youth and Children's Bible Drill. We had the state winner in the youth area again this year. Congratulations to Kim Hunt from Bear Swamp for this achievement. Let me urge other churches to involve your youth and children in this activity.

I look forward to sharing with you in the training ministry of your church in any way I can be of assistance. I am very busy in my church but I will help in ways that I can at your request.

DEDICATION OF MINUTES

Rev. C. H. Richardson

Rev. Charlie Horace Richardson was called into the ministry in April, 1943. He was ordained in September, 1944. He assumed his first pastorate in January, 1945, and was there for 11 years. He accepted the call to pastor a second church in 1947 and served there for 2 years. In 1949, he pastored a third church. He accepted a fourth church in 1956 and 1957. For a while, he was serving four churches simultaneously as pastor.

In 1957, Rev. Richardson resigned from those churches to help found and organize a church for the Haliwa people. He and many members met in the old Haliwa School for some time. Ground-breaking for the Saponi church was held on the 5th Saturday in March, 1958. The church was renamed the same year to Mount Bethel Indian Baptist Church.

In 1959-61, Rev. Richardson attended Fruitland Bible Institute near Hendersonville, NC. In 1966, he helped found Saint Gideon Baptist Church. When Mount Bethel started with services each Sunday, Rev. Richardson resigned Saint Gideon and served only Mount Bethel. Currently, Rev. Richardson is still actively involved in the Mount Bethel Church, working closely with their recently installed new minister. Mount Bethel has grown to become the largest church membership in the Burnt Swamp Association, and one of the largest Indian congregations in the nation. The leadership of Rev. Richardson unmistakably has been the key factor in the church's establishment, growth and development. He is

revered as the "Father" of the Mount Bethel Church community and rightly deserves this honor. A gentle and soft spoken man, his strong leadership for more than 50 years has made the difference in the spiritual life of the Haliwa-Saponi people.

Rev. Richardson was married to Hattie Richardson, who went to be with our Lord in 1984. To their union, 7 children were born. They resided in Nash County for 39 years. Rev. Richardson and Mrs. Hattie moved to Hollister community in 1971 to be closer to his people. Mrs. Hattie was a great supporter of her husband. She stood by him in his ministry, prepared for him to go day after day, and patiently waited for him to return. They were married 64 years.

Rev. Richardson, an elder of the Haliwa-Saponi tribe, is dearly loved by his people. The young people refer to him as a walking history book. He attends their pow-wows and is involved with the community. He enjoys people at church and seeing them enjoy church with him. His words of inspiration are always forthcoming for his people and especially takes special interest in the youth. He attends assembly programs at the local schools in Halifax and Warren counties, encouraging the parents to do the same.

Rev. Richardson, now 95 years of age, appears enthusiastic and visionary as ever, leading his church to make transition to a new pastor just this year. He renewed his driver's license this year and the optometrist declared that he didn't really need glasses. He desires to preach till he dies, although he stated his plans to retire from the active pastorate this year. Sunday morning, when his people gather at Mount Bethel to worship, it will suit him fine if they sing one of his favorite hymns, "Amazing Grace." And when they sing the last verse, he'll sing with a conviction held for a lifetime, "When we've been there ten thousand years, bright shining as the sun, we've no less days to sing God's praise, than when we first begun."

The Burnt Swamp Baptist Association enthusiastically dedicates our 1995 Minutes in honor of the distinguished life and ministry of Rev. C. H. Richardson, a spiritual giant among the Saponi people and the entire Burnt Swamp Association.

MEMORIALS PAGE

Rev. Wade Locklear was born September 6, 1924. He was saved at his grandfather Henderson's home one Sunday night in 1938, while they were having prayer meeting. When he was only thirteen years old, he became a member of Mt. Elim Baptist Church. In 1947, at the age of twenty-three, he was called to the gospel ministry. In 1950 Rev. Wade Locklear was ordained. His first church of pastoring was Beulah Baptist.

Rev. Wade Locklear was very active in the work of the Burnt Swamp Baptist Association, serving as Association Moderator and Chairman of many committees. The Association always appreciated his strong leadership in the work of our churches. He always stood for cooperation among the churches and helped us to maintain strong fellowship in our Association. Among our Indian people, there are some who are gifted story tellers. Bro. Wade was such a one. He charmed many a group with tales and anecdotes mostly from real life that were filled with hilarity. He has been our entertainer. Whether on a mission trip with a passenger van loaded with men, in meetings in which he was in charge or simply visiting with you from time to time, Rev. Locklear was always a great delight. His life was marked by highly admirable Christian service. We are so blessed to have had a leader with the talent, energy and commitment as that of Rev. Wade Locklear.

GUIDELINES FOR CHURCH PROCEDURES

1. Ministers coming from another denomination must pass satisfactorily an examination along Baptist doctrinal lines before being recom-

- mended to a church for ordination as stated in Article XI of the Constitution.
- 2. Licensed or ordained ministers jeopardize their denominational affiliation and church recognition when called to pastor a church outside the denomination. Because such action is considered disorderly practice, it is recommended that his license or ordination be revoked unless this pastorate is a ministry outreach of a SBC church.
- 3. Due to the severe nature and disharmony of divorce with New Testament teaching, it is recommended that each associational church develop its own policy concerning the use of its facilities to unite in marriage persons in a divorced state.
- 4. It is considered extremely unethical and disrespectful for any minister to enter the pulpit of a church without the foreknowledge of the pastor to that church. It is also considered poor practice for any congregation to deny the pastor responsible control of the pulpit.

THE BAPTIST FAITH AND MESSAGE

I. THE SCRIPTURES

The Holy Bible was written by men divinely inspired and is the record of God's revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth, without any mixture of error, for its matter. It reveals the principles by which God judges us; and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. The criterion by which the Bible is to be interpreted is Jesus Christ.

II. GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son

Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself the demands and necessities of human nature and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, partaking of the nature of God and of man, and in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit

The Holy Spirit is the Spirit of God. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts of sin, of righteousness and of judgment. He calls men to the Saviour, and effects regeneration. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the assurance of God to bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. MAN

Man was created by the special act of God, in His own image, and is the crowning work of His creation. In the beginning man was innocent of sin and was endowed by his Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan man transgressed the command of God, and fell from his original innocence; whereby his posterity inherit a nature and an environment inclined toward sin, and as soon as they are capable of moral action become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore every man possesses dignity and is worthy of respect and Christian love.

IV. SALVATION

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Savior, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, sanctification, and glorification.

A. Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ.

Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour. Justification is God's gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer into a relationship of peace and favor with God.

B. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God's purposes, and is enabled to progress toward moral and spiritual perfection through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerated person's life.

C. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. GOD'S PURPOSE OF GRACE

Election is the gracious purpose of God, according to which He regenerates, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is a glorious display of God's sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the cause of Christ, and temporal judgments on themselves, yet they shall be kept by the power of God through faith unto salvation.

VI. THE CHURCH

A New Testament church of the Lord Jesus Christ is a local body of baptized believers who are associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, committed to His teachings, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth.

This church is an autonomous body, operating through democratic processes under the Lordship of Jesus Christ. In such a congregation members are equally responsible. Its Scriptural officers are pastors and deacons.

The New Testament speaks also of the church as the body of Christ which includes all of the redeemed of all the ages.

VII. BAPTISM AND THE LORD'S SUPPER

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Savior, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

The Lord's Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. THE LORD'S DAY

The first day of the week is the Lord's Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should be employed in exercises of worship and spiritual devotion, both public and private, and by refraining from worldly amusements, and resting from secular employments, work of necessity and mercy only being excepted.

IX. THE KINGDOM

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God's will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. LAST THINGS

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. EVANGELISM AND MISSIONS

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man's spirit by God's Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. It is the duty of every child of God

to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ.

XII. EDUCATION

The cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian schools is necessary to a complete spiritual program for Christ's people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

XIII. STEWARDSHIP

God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer's cause on earth.

XIV. COOPERATION

Christ's people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ's Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ's people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. THE CHRISTIAN AND THE SOCIAL ORDER

Every Christian is under obligation to seek to make the will of Christ supreme in his own life and in human society. Means and methods used

for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Christ Jesus. The Christian should oppose in the spirit of Christ every form of greed, selfishness, and vice. He should work to provide for the orphaned, the needy, the aged, the helpless, and the sick. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

XVI. PEACE AND WAR

It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the Spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love.

XVII. RELIGIOUS LIBERTY

God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loval obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

HISTORY OF MT. ELIM BAPTIST CHURCH

On September 21, 1924, eleven men and eight women in Hoke County near Antioch community met with a council from the Burnt Swamp Association composed by Rev. Z. R. Chavis, Rev. A. R. Chavis and Rev. L. A. Maynor to organize a church. Rev. L. A. Maynor was called as pastor and Mr. Acy Cummings, Mr. Bruce Oxendine and Mr. Charlie Oxendine were elected as deacons. Another charter member, Mr. James Locklear, suggested the church be known as Mt. Elim Baptist Church. The first meeting was held in a school known as "Jacobs Point" until 1936 when a new school facility was constructed about two miles north. Here the congregation moved and worshipped until 1941.

During this period of time, the succeeding pastor, Rev. Chesley H. Maynor, had a deep desire to build a house for the worship of the Lord. With enthusiasm and great faith, construction began in 1940 and was completed a year later. New pride and excitement developed within this Indian community in their new church building and attendance multiplied. Six years later, four classrooms were added to the rear of the church sanctuary and four additional classrooms as well as bathroom facilities were constructed in 1961. At this time, the church grounds consisted of approximately four acres.

In 1965, a very prosperous ministry and extensive face-lifting for the church facilities began during the leadership of Rev. King Maynor, son of the former pastor. During that same period, the church began preparing a garden of rest for its deceased on part of twenty-one acres of land owned by the church.

In 1986, the church began the development of youth/recreation park adjacent to the church facilities. That development has led to the construction of the Lonnie Locklear Amphitheater, very nicely furnished picnic facilities and recreational athletic grounds. In 1993, the church completed construction of an education building, connected to the existing sanctuary, education and fellowship hall property. This year, the church added 15 more acres of land to the existing church property and installed a new sanctuary nursery.

Mt. Elim has provided valuable contribution to the life of the Burnt Swamp Association during the years of its fellowship in the association. The construction of the association office building, the erection of the Indian Memorial Cottage on Odum Home campus, as well as mission projects and other initiatives conducted by the association have always enjoyed generous support from Mt. Elim Church. The church has been active in its support of establishing new work at the Turnpike Baptist Church, New Beginning Baptist Church and Lighthouse Baptist Mission Church, all in the Burnt Swamp Association.

Mt. Elim has enjoyed very strong pastoral leadership through the years. The pastors who have served the church are among the most honored men of the Burnt Swamp Baptist community. Rev. L. A. Maynor served from 1924-1934, Rev. C. H. Maynor from 1934-1965, Rev. King Maynor from 1965-1975, Rev. David Hunt from 1975-1992, and Rev. Tony Brewington since 1992. The church has grown to become one of our largest in Sunday School and worship attendance, always among our top churches in baptisms. Mt. Elim is a very active and happy church, providing ministry to the entire family, and worshipping God with great joy and liberty.

Mt. Elim is located about four miles west of Red Springs or two miles south of hi-way 211 in the Antioch community. A very special thanks is due this Christian fellowship for their contribution toward our associational program.

HISTORY OF HARPERS FERRY BAPTIST CHURCH

In 1887, a single-roomed structure was erected along the Lumber River by Sinclair Lowery, Paisley Sanderson and Aaron Brooks to serve the newly organized congregation of Harpers Ferry Baptist Church. The name of this body of believers was derived from a legend that a man named Harper once operated a ferry across the river near the church site.

The building was constructed upon about one acre of land purchased from S. R. Townsend and wife, January 14, 1887. This particular church became a popular congregation within the Indian community partly due to its location along the main route crossing east to west along Highway 74. Its grounds also attracted many travelers to drink from the cool, refreshing overflow and an occasional dip in the Lumber River at its side. Strong

Baptist influence and powerful preaching of the gospel have been a trademark of this group and an instrument in its growth since the beginning.

In the late thirties, the original structure was torn down to be replaced by a large, modern facility providing sanctuary and classroom space. The members of the church donated materials and labor for its construction. Many used home and farm equipment to cut timber, transport it and have it sawed into lumber for the building. Church building days were exciting times, drawing men away from waiting soil to be broken and tilled and rushing wives to stir-up a meal and spread proudly out under the large oak trees. It wasn't unusual for passersby to walk over and join in the meal while getting acquainted with these God-fearing people and the task they were about. Later, a two-story building was erected to provide space for more classrooms.

A third building program began in 1970 when the old sanctuary was moved and completely remodeled to seat about 500. Beautifully designed wings were added to the rear, reaching out on both sides with grace. This new facility provided spacious classrooms, pastor's study, bathrooms, and a Fellowship Hall with kitchen facilities. The entire building was centrally heated and air-conditioned. Members of the church did most of the work themselves with the able Chancellor, English E. Jones, and active deacon of the church at the time, directing the building program. During the same year, additional land was purchased for cemetery purposes.

Today, Harper's Ferry provides one of the most attractive church scenes in Robeson County, and its spiritual and social outreach is equally impressive.

No one speaks in truth about Harper's Ferry without recalling the legendary Rev. L. W. Jacobs. After a few short pastorates, this congregation

along with Mt. Airy became the main stomping grounds for the most dramatic and effective pulpiteering witnessed in the country. A man of great stature in church, associational, educational and public life, Rev. Jacobs molded the ministry of Harper's Ferry into a spiritual powerhouse, and labored courageously in its midst until his death after forty years as pastor.

In 1887 the congregation called Rev. Zack Brooks as pastor. Ministers following him in this position have included in order: Rev. Angus D. Locklear, Rev. Silas Lowry, Rev. Phillip P. Locklear, Rev. Z. R. Chavis, Rev. L. W. Jacobs, Rev. C. E. Locklear, Rev. Jacobs again, Rev. H. E. Brewington, Rev. Sanford Locklear and Rev. Steve Jones. Rev. Jones has been pastor since 1976 and assumed the position in a full-time capacity in 1977. The present deacons are Dock Locklear, Carson Locklear, Marvin Bullard, Ed Dial, Conley Jacobs, Dennis Strickland, Princell Bullard, Anderson Jones, Charles Oxendine, and Bill James Brewington. The oldest living member is Mrs. May Jones (Mrs. Willoughby Jones) and those with the longest membership are Mr. Dock Locklear and Mrs. Lucy Chavis.

Membership recorded at Harper's Ferry is 372 and the Sunday School enrollment is 440. One of our most dynamic churches in the Burnt Swamp family, Harpers Ferry has continued its exciting and growing church ministry under the direction of Pastor Steve Jones. A modern church family life center has been constructed, with education, recreation, fellowship and worship facilities available like few churches enjoy. Just this year, a full time Director of Music and Education ministry was employed. The church is truly in the midst of some of its great days. Harpers Ferry is located about two miles west of Pembroke on Highway 711. To this very fine member church, Burnt Swamp Baptist Association expresses many thanks for support and encouragement year after year.

The Missions Development report was given by Rev. Roger Strickland. In his report, he stated that the committee met and decided to recommend four or five mission projects for next summer. He stated there is some interest in assisting the Robeson Association in the Ukraine Mission project. Each region in the association will be able to sponsor one of these projects next summer. A motion to receive this report was seconded and approved.

The Brotherhood Report was given by Bro. Wendell Hunt. A list of the officers for the Brotherhood was announced. A motion to receive the report was seconded and approved.

The WMU, Sunday School and Youth were recognized by the Moderator. The Director of Missions report was given by Rev. Michael Cummings. He announced the slate of officers for the WMU and Sunday School. The new ministries in the association were recognized. The annual meeting theme will be "Mission Vision: Unity in Partnership." Rev. Tony Brewington will deliver the message on Thursday, while Rev. Jimmy Strickland will be the message bearer on Friday.

The need for pastors in the association to have more fellowship together is of major interest and concern to the Director of Missions. He is much concerned with problems and needs families are struggling with. Somehow we must begin to recognize and address these social issues facing our people. He made mention of Rev. Richardson's retirement at Mt. Bethel.

At the age of (94) ninety-four years young and his long years of service to his church, Rev. Mike suggested he be recognized in the Annual Meeting and given a plaque in recognition of the many years of service for the Lord.

Several members made announcements about revivals and homecomings in their churches. A motion to adjourn was seconded and approved. The closing prayer was led by Rev. Charles W. Maynor.

Moderator: Rev. Larry Locklear Acting Clerk: Bro. John G. Deese

1994-95 BROTHERHOOD REPORT

We thank God for the Burnt Swamp Baptist Men, keeping in mind what our Lord has commanded in Matthew 28:19-20. Not only are our Baptist Men teaching missions, they are doing it.

It has been wonderful working with the Brotherhood in the Association, seeing the needs in the different communities and being able to help. Our Baptist Men have been steady at work on our association building. A wonderful job has been under the leadership of Rev. Terry Cummings. Work has been done not only to our association building but also other church construction needs.

Our Baptist Men organizations are growing. Gray Pond just started a R.A unit and others will follow teaching their young men the importance of missions. We offered church leader training last Fall and have set calendar dates for church leader training again this Fall. Please encourage your leaders to participate.

Bro. Wendell Hunt, Baptist Men Director

1994-95 YOUTH REPORT

Our Associational Youth Council continues to provide evangelistic programs and fellowship for our association church youth groups. The year of activities started with a "True Love Waits" community rally in May. Several of our young people joined other community church youth groups in front of Lowes in Lumberton for a day of worship and public commitment to sexual purity. The day ended with "grubby" group games and a pizza blast.

Camp Dixie, the association's traditional summer youth and children camp, is going strong and effective as ever. Thirty-six campers enjoyed our youth camp in July. The children's camp was held in August with thirty-four campers. Four young people accepted Christ as their Lord and personal savior.

In this coming year, the Youth Council would like to focus on building and strengthening relationships among our churches' youth and children workers. We desire to see stronger and more committed leaders with one mind and one goal to win our young people to Jesus Christ.

We covet your prayers and support.

Bro. Manny Mintac, Youth Council Director

1994-95 DISCIPLESHIP TRAINING REPORT

In the coming year of 1996 new material for Discipleship Training will be introduced. Survival kits for new Christians will be shortened from 12 weeks to 6 weeks. There is something for all age levels, adults through children. Great emphasis will be placed on allowing time for new Christians to be given opportunities to share their faith and testimony as an "In The Field" training outside the classroom just as our Lord taught and trained his disciples. Then there will be a time to share their experiences in classroom discussions. They will also be exposed to many other needs both in the local church and community. Support groups will also be a major 1996 highlight. Encourage many to start or become a member of your training ministry, to share the burden of responsibility to help the kingdom of our Lord grow and mature in His abounding grace.

Burnt Swamp Association places much emphasis on Youth/Children Bible memory work each year. Again this year, several of our churches were involved in the Bible Drill and Speakers' Competition. This is always a highlight of our training activities across the Association. We have very capable leaders in this work who would be happy to assist new churches with starting this activity for your youth and children.

We have had many positive reports about the short term studies many of you are using in your churches. We are grateful that the training program of the SBC offers us a variety of doctrinal and practical subjects to bring to our people. We encourage you to examine the many choices of training products available now for churches. Let's make disciples.

Rev. Jerry Thompson, Disciples Training Committee

1994-95 ASSOCIATION MODERATOR REPORT

The 1994-95 association year began with the churches of the Burnt Swamp Association making a commitment to participate in "Here's Hope: Share Jesus Now" evangelist efforts. Those efforts involved sixty days of intense personal witnessing beginning in January through March followed by a Harvest Revival. Several of our churches used that opportunity to have joint revival efforts. Those churches reported strengthened fellowship between their churches, and spiritual worship. As a result of these efforts we saw 543 baptisms.

Not only did we see God's growth among us here at home but we also experienced it beyond our association. Our churches have caught a glimpse of a new way to association missions. Thanks to our wonderful leadership on missions. Bro. Mike Cummings, our Director of Missions and the Mission Development Council and the Missions Committee worked to implement three major mission projects this year in Minnesota, Oklahoma and South Dakota communities.

In order to effectively continue on the current path that God has led us, we must continue to give financially. We are now looked to, and called upon as a social ministry in the county and given the proposed governmental cuts in social programs we will be called upon even more. Not only are there greater expectations from within, now we are more and more looked to as a national source of help for other Native Americans.

In Matthew 28: 19-20, Jesus said, "Go and make disciples of all nations." I believe that to be the very heart beat of God. Bill Hull says, "making disciples is God's plan for healthy churches and His strategy to evangelize the world." If we have healthy churches and an evangelized world, what else is there? We are on the path. Let us give financially, pray sincerely, and continue to go that we may be used of God to finish Christ's work.

Yours in Christ, Moderator Larry Locklear

1994-95 PASTORAL MINISTRY

The Pastoral Ministry program has sought to make use of the Union meeting and Preachers and Deacons meeting programs to share information which was helpful for church leaders. As you can see from the Union meeting topics, church leaders were targeted in the first two meetings. It was our intention to concentrate on preachers and their sense of call in their work. Furthermore, we wanted to impress upon churches the importance of continuing training for new believers.

In the Preachers and Deacons meetings, we attempted to help church leaders, especially pastors and deacons. We discussed the call of the pastor and the process involved by the church in going about that call. Several points of interest in the process of hiring staff was discussed, including the arrangements for compensation. We continued on this topic with a discussion of dealing with "failed expectations" in the staff persons we employ. We feel that the Union and Preachers and Deacons meetings have been good opportunities for us to share information helpful for pastoral church leaders.

We aim to provide ongoing training and discussion on issues relevant to church leaders in future meetings of pastors and deacons and other church leaders.

1994-95 EVANGELISM REPORT

Burnt Swamp Baptist Association Evangelism Conference February 19 - 21, 1995 7:00 PM Harpers Ferry Baptist Church Theme: "Called to Share Jesus Now"

Zion Hill Church

1994-95 CREDENTIALS COMMITTEE REPORT

At its June meeting, the Executive Board received from The Ministry of Jesus Church an application for membership to the Burnt Swamp Association. The pastor is Rev. Horace Strickland who has pastored in three of our Associational churches. We have found them to be doctrinally sound and willing to cooperate with our Association. We therefore, recommend the Ministry of Jesus mission church for our required period of watch care for one year, to begin at this 118th Annual Meeting of the Burnt Swamp Association.

West Saddletree Baptist church with their pastor Rev. Ted Brooks have completed the required period of watch care by our Association. We therefore, recommend that they be given the right hand of fellowship as members of the Burnt Swamp Association.

Salem Baptist church with their pastor Rev. Don Bullard have completed the required period of watch care by our association. We therefore, recommend that they be given the right hand of fellowship as members of the Burnt Swamp Association.

Liberty Baptist mission and their pastor, Rev. Keith Hunt, have been under watch care for one year as a mission church. They have not yet been constituted as a church. At the time of their constitution as a church, the Association would be in order to offer them full member status.

Credentials Committee Chairman, Steve Jones

1994-95 MISSIONS COMMITTEE REPORT

The Association is blessed to have new work going on in our midst. With the projected increase in population within the Native American community locally, we feel it is the will of God for us to assist new churches to get started.

Lighthouse Mission is doing well. The mission is in process of acquiring their property with generous assistance of Mt. Elim Church. Rev. Shelly and his wife are being used of God in wonderful ministry in the Lighthouse community. The Baptist State Convention has been providing some pastoral support but we expect their support to diminish considerably in 1996. The Association Budget Committee is recommending that we continue to contribute \$100 monthly for pastoral support for Lighthouse.

Liberty Mission, led by Rev. Keith and his wife, is hard at work on their new building. The mission is very healthy in spiritual life and vision. God has given the mission some very fine Christian workers and they are pressing on in growth and development. We expect them to constitute as a church very soon after they complete their church building. We encourage any churches who so desire to consider sharing a mission offering with Liberty to help with their construction costs.

Piney Grove announced to our Executive Board the new work they are sponsoring, called Freedom Baptist Mission. Rev. Davey Locklear and his wife are leading this work. Already, God has blessed them with many souls saved. With the assistance of Piney Grove and our Missions Committee, the new mission has acquired a modular classroom unit from the Baptist State Convention. The mission is currently meeting on Wiregrass Road but is looking for land to locate the work more permanently. We welcome Piney Grove's new work with Freedom mission.

Mission in Faith mission is meeting in a Lumberton housing project but has already made plans to purchase property on the Alamac Rd. near Lumberton. Rev. and Mrs. Rheo Jones are leading in this work. We have been with these fine folks for baptizing and revival services. The CCM Director also helped with VBS this summer in the same housing project with the help of the mission. We look forward to strengthening our ties with this mission.

Finally, let us urge churches in our Association to consider outreach into areas where a witness to the gospel is needed. The Lord may want to give a church to a community and needs your help to get it done. Consider this and pray with us about new work. These missions mentioned above are significant opportunities for us to reach communities for Christ.

Rev. Kent Chavis, Missions Committee Chairman

MISSIONS DEVELOPMENT COUNCIL REPORT

The Missions Development Council seeks to discover missions opportunities in which our Association may wish to be involved. Many persons from churches of the association have been engaged in some kind of mission project during the summer months in recent years. Our aim is to involve as many churches as possible in these kinds of missions projects. We are grateful for the summer of 1995 and the many people involved in conducting several mission trips from June - August. We think that \$35,000 to \$40,000 may have been raised through individuals and churches giving to support volunteers engaged in 1995 summer projects. Nearly \$17,000 came through the Association office for some of the volunteers. In addition, Mrs. Pat also organized mission projects here within our own Association. The work of the Baptist Men on our building renovation, led by Rev. Terry Cummings, was missions at home.

The Missions Development Council has met to discuss possible mission projects for 1995-96. We have identified the opportunities listed below as specific areas we want to investigate and enlist churches to support.

- Providence, RI Rev. Jimmy Anderson, Home Mission Board, has asked us to plan to have a team of volunteers assist him in the Northeast next summer with evangelistic campaigns and people search, attempting to discover the Indian population's need for Christian ministry in that area.
- Sisseton, SD Rev. Wilbert Robertson has asked for 12 people during June 14-24 to assist him with VBS in both North and South Dakota reservation communities.
- 3. Custer, SD Help conduct a youth camp, VBS and evangelistic services for youth, ages 16-19.
- 4. Houston, TX Union Chapel Church has made initial contact with a small Indian congregation in Houston, TX and are planning an evangelistic mission project with them next July.
- 5. Other churches have already expressed some intentions to conduct projects themselves in some area, Mt. Elim and Harpers Ferry.
- 6. Ukraine Partnership The WMU is cooperating with other NC Baptist women in helping provide relief for some Belarusian youth by sponsoring a child to attend camp at \$25 per child. This camp also offers these youth important medical relief time away from their homeland near the Chernobyl disaster.

The Missions Development Council encourages each church to consider carefully one of these opportunities for next year.

Rev. Roger Strickland, Missions Development Committee Chairman

DIRECTOR OF MISSIONS REPORT

The vision we hold for our Association ministry as staff and leaders was confirmed in our annual planning this summer. Our vision is that the Burnt Swamp Association shall be a fellowship of "spiritually awakened and rightly informed churches in partnership encouraging, supporting and assisting one another for the glory of God." After considering the implications of that statement, our leadership felt compelled to present it to you. We bear in mind that our mission as an Association is "to provide support, liberty and opportunity to enable member churches to be in fellowship and on mission fulfilling God's purpose for their existence, both individually and collectively." As your Director of Missions, I personally attempt to lead us to strengthen church programs, promote missions, develop leadership and nurture fellowship. 1994-95 has been my most challenging year in this magnificent work in partnership with each of you.

Baptist Building Renovation

For 8 months, the office has undergone massive assault by both skilled and unskilled construction workers. We have been blessed with volunteer work from January to September, and all of it greatly appreciated. Rev. Windell Hunt brought in Baptist Men day after day as Rev. Terry Cummings led in the renovation project. We spent about \$38,000 on the remodeling while contributions from the churches reached \$21,000. We have received considerable contributions from individuals who have shown an interest in our improvement. Since we had some reserve in the general fund, we were able to complete our work. The job is completed and you would be proud to show your Association office to anyone. We have improved our ability to work, train and minister to churches and individuals through our facility. We think that the interior design and decor will inspire you as you walk through the place. Open House is set for the 5th Sunday, October 29 from 3:00 - 5:00 p.m. We would like for every church to have a delegation to stop by and help us thank God for the many who supported your building project.

Mission Projects

The Spring and Summer of 1995 were filled with planning and organization for the several mission projects undertaken by our churches. Since we began mission projects with other American Indians in the early 1980's, excitement and participation has grown year by year. This year was significant in that so many persons from many churches were participating and going in different directions. Hundreds of volunteer hours were rendered as well as several thousands of dollars in expenses were incurred by the teams. Praise God for the generosity of the churches in conducting the 1995 projects. Incidentally, Burnt Swamp Association owns a reputation as being an association committed to reaching out to the Native population of this country. God has shown us a great field, white unto harvest.

Association Council

The work that you approve to be conducted gets done through the collaborative efforts of our Association Council. It is our goal to plan, present for your approval our plans and then lead in implementing the plans you have approved. We seek to provide communication through calendars, newsletters and occasional notices. We want you to be informed. The readership of any newsletter is reported to be 25%. We depend upon someone in each church passing on announcements and information helpful to your congregation.

New Work

We are pleased to be in partnership with new work (missions) in the association area. It is the delight of any association to have new work to sponsor and assist. The demographic projections point to significant growth in the Indian communities of this area in the next 20 years. We feel God would have us prayerfully engage in providing churches in communities where there is one. You see information about our mission congregations in other reports in this booklet. Let me urge you to learn about the new work places and involve your own church in encouraging one or more of them. We congratulate Piney Grove Church who have agreed to sponsor Freedom Mission. We currently have 3 missions under our care, including Lighthouse and Liberty.

Other Activities

This year I have been invited into 3 churches for deacon training, 2 church council seminars, and 6 study courses. I have participated in several local church discussions concerning their internal affairs. I visited in 47 churches, preaching and teaching upon invitation as I was able.
